

## Sharp Mary Birch Maternal-Fetal Medicine Diabetes in Pregnancy Referral Reference Guide

To ensure a smooth referral experience for you and your patients, please follow the guidelines below:

- Complete the **Sharp Mary Birch Maternal-Fetal Medicine Diabetes in Pregnancy referral form** in full. Include all required documentation listed below. Missing information may delay the scheduling process.
  - Patient's full name, date of birth, last four digits of SSN, and insurance type
  - Two working phone numbers — one for the patient and one for an emergency contact
  - Copy of insurance card, along with insurance name, type, ID number, and group number
  - Prior authorization, if required by the patient's insurance plan
- Please Use the Following Information for **Insurance Authorizations**
  - Group Name: United Medical Doctors
  - Group NPI: 1770559981
  - Tax ID (TIN): 20-0358722
- **Phone Consult or Transport Request**

If the referring provider would like a phone consultation or needs to request patient transport, please call 858-939-4839 to be connected with the on-call physician at the hospital.
- **Urgent Referrals** (Same Day or Next Business Day)

If the referring provider needs a patient to be seen urgently at Rancho Springs for a consultation, please call our 24/7 Maternal Transfer, Transport, and Consultation Hotline at 877-431-7372. They will be connected with a Maternal-Fetal Medicine specialist. Please explain the clinical situation, and the physician will coordinate with our staff to ensure the patient is seen in an appropriate timeframe and location.
- **Referral Support**

If you would like assistance with customized referrals or are experiencing difficulty with a patient referral, please contact us at 858-541-4800.
