

HOW TO GET 2-FACTOR ID ACCESS TO SHARPNET FROM HOME

PART 1

<p>1. Open the App Store (iPhone) or Play Store (Android) and search for "SecureAuth Authenticate"</p>  <p>A search bar containing the text "secureauth authenticate" with a magnifying glass icon on the left and a close button on the right.</p>	<p>2. Click on "Get" or "Install"</p>  <p>The app card for "SecureAuth Authenticate" is shown. The "GET" button is highlighted with a blue border.</p>	<p>3. Wait for App to Download</p>  <p>A white rectangular placeholder representing the app download progress screen.</p>	<p>4. Click the "Open" button</p>  <p>The app card for "SecureAuth Authenticate" is shown. The "OPEN" button is highlighted with a blue border.</p>
--	---	---	---

5. Click "Allow"

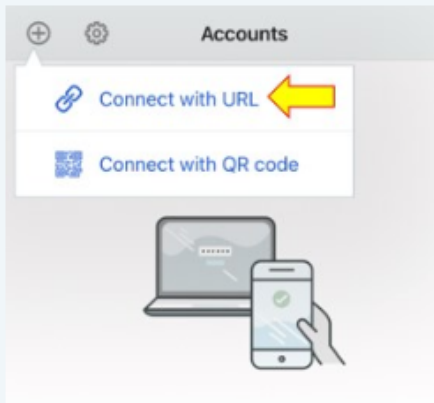

The notification permission dialog for "Authenticate" is shown. It includes the text: "Authenticate" Would Like to Send You Notifications. Notifications may include alerts, sounds, and icon badges. These can be configured in Settings. At the bottom, there are two buttons: "Don't Allow" and "Allow".

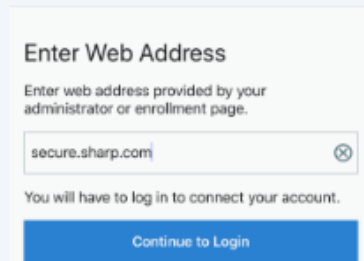

See part 2 on next page...
