Student Nurse: Cerner Millennium Education (Page 1 of 2)

Web Based Tutorials for Cerner Millennium & Barcoding Overview Class

Cerner Millennium education classes for Student Nurses are conducted online via Web Based tutorials. There are a total of 24 tutorials that each student must complete. The tutorials must be completed and passed IN ORDER before printing certificate of completion. Each tutorial ranges from 2-6.5 minutes in length. Total time to finish all components is 90 minutes.

To access tutorials, a Sharp account must be activated by receiving a username and password from your instructor. All new accounts will have access to course on Tuesday and Friday afternoons after account is created.

Step 1: Open **Web Browser** on a Sharp or non-Sharp computer.

Step 2: Click on or enter URL address into web browser:

https://sharpnet.sharp.com/

Step 3: Log In with User Name and Password provided by instructor.

NOTE: If unable to log in here, call Technical Assistance Center at: 858-627-5000.
