

Login – link.sharp.com

Add username and temporary password.

The image shows the SHARP login page. At the top right, it says "powered by Epic". The SHARP logo is centered. Below the logo, the username "InkFalPam" is displayed above a password input field. The password field contains a series of dots. Below the password field is a blue "LOG IN" button. Underneath the button are two links: "Request New Account" and "Check Claim Status".

Reset your password.

The image shows a "Change Password" dialog box. At the top, it says "Change Password" and "Your password has expired. Please update it." Below this, there are three input fields labeled "Old password:", "New password:", and "Re-enter new:". Each field has a red exclamation mark icon to its left. At the bottom of the dialog are two buttons: "Accept" and "Cancel".

Choose your method for Authentication.

Mobile App or Email

Extra Security Required

Choose how you want to receive passcodes that are required to access your Sharp Link account. This extra layer of security helps ensure that you're the only person who can log in to your account, even if someone knows your username and password.

Each time you try to log in, you receive a new passcode through your chosen method that you need to enter to finish logging in. Each code can be used only one time.

Mobile App Instructions:

1. Secure Authentication Mobile App

1 2 3

Set Up Mobile App Authentication

Scan the QR code below to set up authentication on your mobile device. Popular applications include Google Authenticator and Authy.

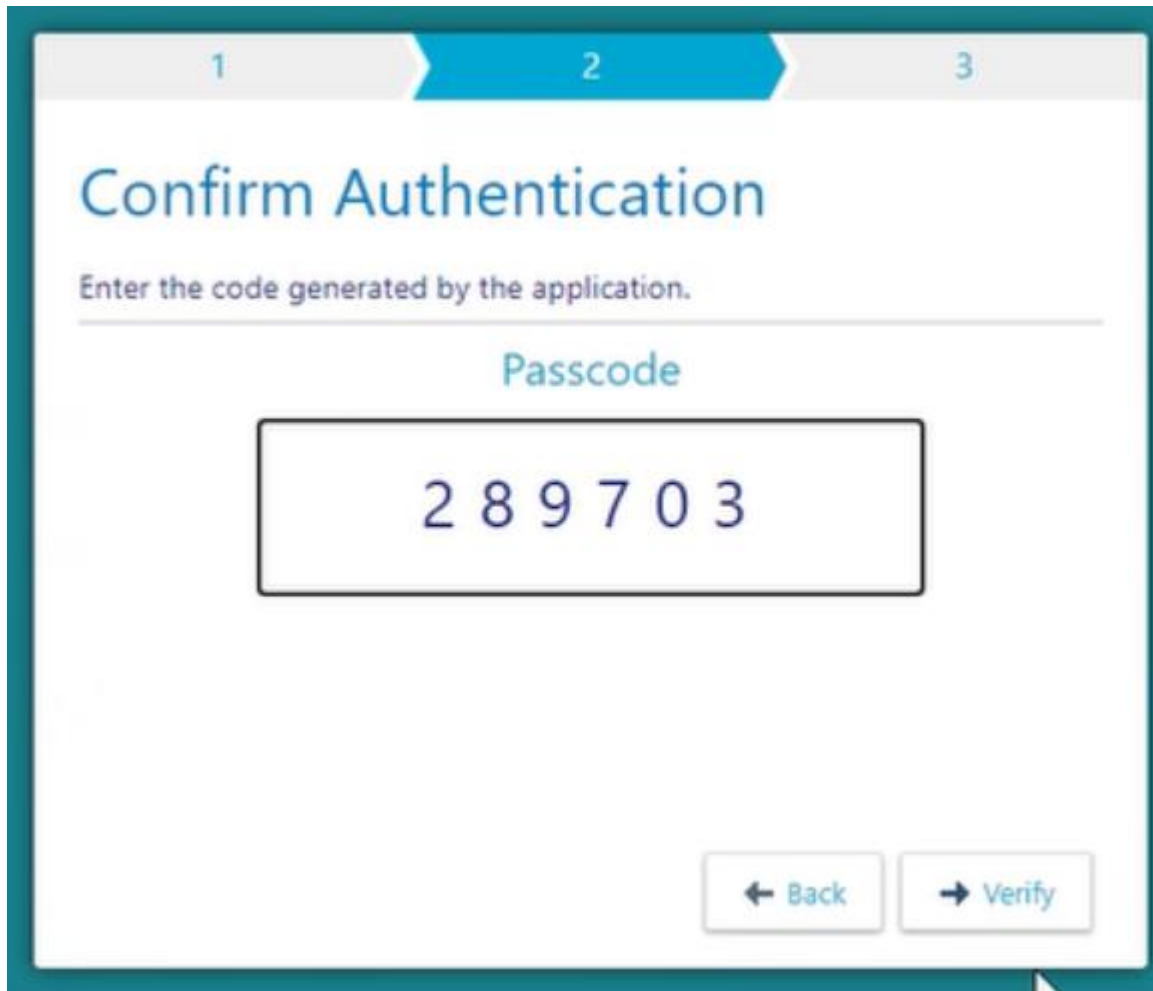

Can't scan? Enter the following code manually:

57PNASAK7K6SG6D4O8XUY5ROW6GISCJD

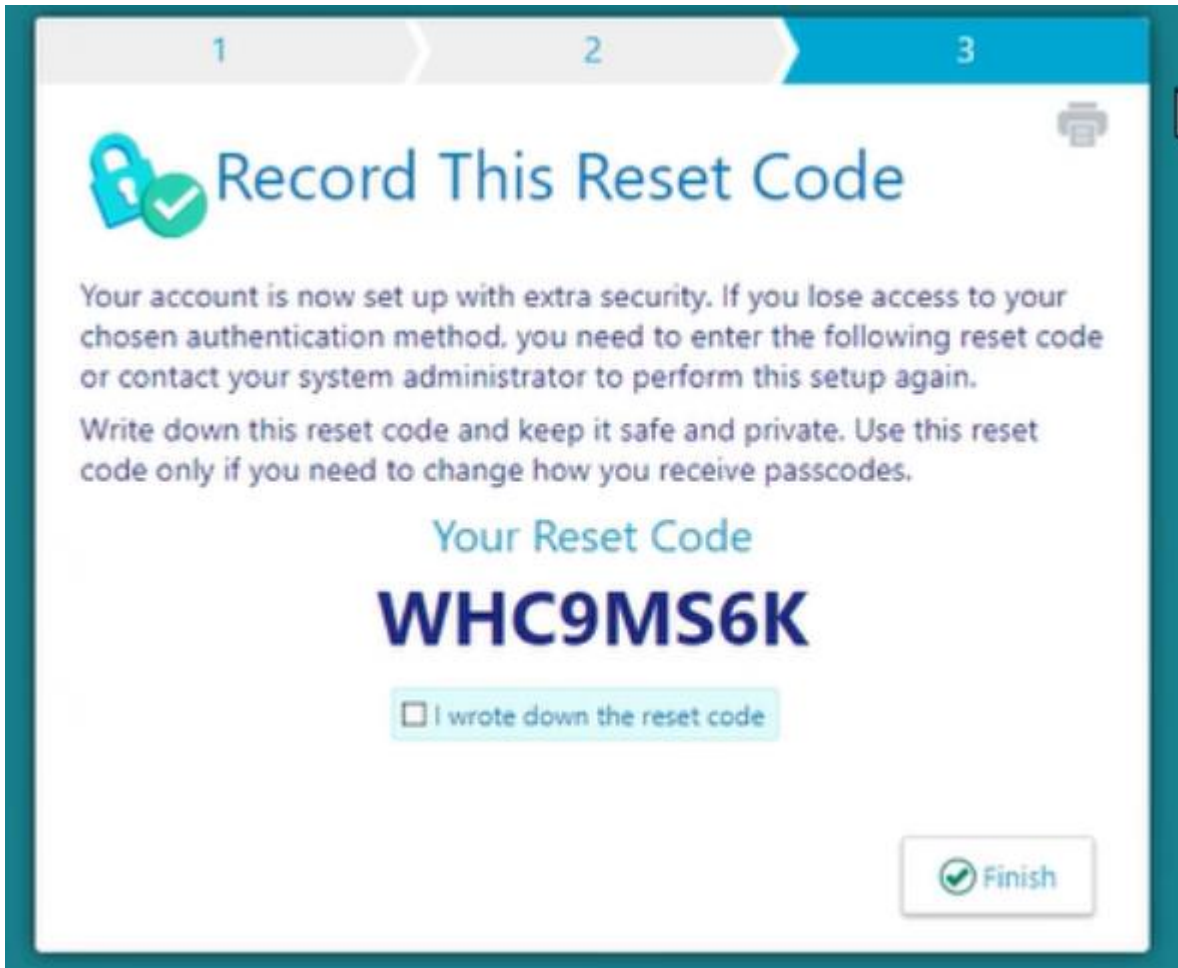

← Back → Next

2. Enter Passcode provided by your Authenticator.

The screenshot displays a mobile application interface for confirming authentication. At the top, there is a progress indicator with three steps: '1', '2', and '3'. Step '2' is highlighted in blue, indicating the current step. Below the progress indicator, the title 'Confirm Authentication' is displayed in a large, blue font. Underneath the title, the instruction 'Enter the code generated by the application.' is shown in a smaller, grey font. A horizontal line separates the instruction from the input field. The input field is a large, white rectangular box with a black border, containing the passcode '289703' in a dark blue font. Below the input field, there are two buttons: '← Back' and '→ Verify', both in a light blue font. The entire interface is framed by a teal border.

3. *****SAVE THIS CODE*****

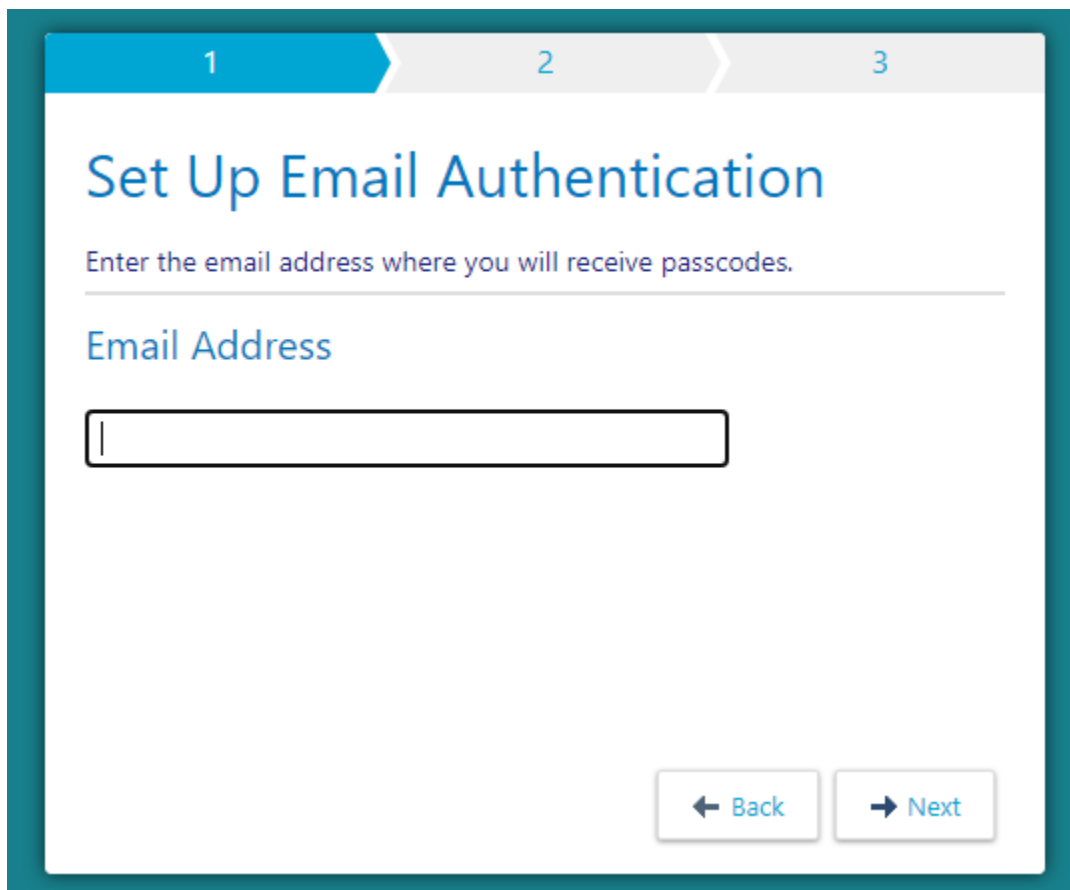

4. **Click Finish**

Email Instructions:

1. Add your email address and click Next

The screenshot shows a web form titled "Set Up Email Authentication". At the top, there is a progress indicator with three steps: step 1 is highlighted in blue, step 2 is in light gray, and step 3 is also in light gray. Below the title, there is a subtitle: "Enter the email address where you will receive passcodes." followed by a horizontal line. Underneath, the label "Email Address" is positioned above a text input field. At the bottom right of the form, there are two buttons: "← Back" and "→ Next".

2. Add code that was sent to your email:

Sign Terms and Conditions

Terms and Conditions

this Agreement are in addition to the terms of the other agreements.

- 2. Authorized Users.** Prior to receiving access Sharp Link, each Authorized User must execute an acknowledgement of this Agreement (which may occur by having the Authorized User review and accept these terms as described herein), pursuant to which each such Authorized User shall agree to be bound by the terms and conditions of this Agreement. This Agreement or a link to this Agreement will be emailed to each Authorized User after a user request is submitted through Sharp's then-current process, and each Authorized User will need to accept these terms prior to use of Sharp Link. Authorized Users of Sharp Link may need to create an account to access Sharp Link, which will require provision of minimum required information for eligibility, account verification, and multi-factor authentication. In the event that an Authorized User leaves the Covered Partner, such Authorized User is no longer a Authorized User effective as of such departure. If a new physician or clinician joins Covered Partner, prior to accessing Sharp Link, Covered Partner shall provide to Sharp a copy of the User Acknowledgement executed by the physician or clinician and, if applicable, pay any fees associated with the additional users of Sharp Link, upon which point the physician or clinician will become an Authorized User. In case of any changes to the Authorized User list, Covered Partner shall provide an updated list of Authorized Users within thirty (30) days of the change. To the extent that use by an Authorized User would require that the Authorized User maintain a certification, not be disbarred or suspended, and/or not be subject to criminal or other investigations, such Authorized User may not access or use Sharp Link in a manner that would not be permitted due to such Authorized User not being certified, being disbarred or suspended, or being subject to a criminal or other investigation, and Covered Partner represents and warrants that neither Covered Partner nor any of its Authorized Users will use Sharp Link in a manner that is not permitted based on the foregoing.
- 3. Access.**
 - 1. Usage.** Upon approval by Sharp and subject to the terms and conditions of this Agreement, Covered Partner and its Authorized Users may access and use Sharp Link for the purposes of administering clinical care to patients of Covered Partner or performing approved healthcare operations. Sharp Link may not be accessed or used for any purposes other than clinical care (including administrative, data management or resource utilization activities, or approved healthcare operations), and must be accessed and used solely as permitted under and in accordance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and other applicable laws. Covered Partner may only access and use Sharp Link at its locations in the United States and must also access and use Sharp Link via Covered Partner's hardware using connection methods that have been approved by Sharp from time to time (such as a standard web browser) in the United States. Sharp Link requires that the user maintain certain minimum system requirements, which are available from Sharp upon request; Covered Provider and each Authorized User agree to comply with such requirements and to keep all devices used to access Sharp Link up to date with commercial antivirus software. Covered Provider and Authorized Users shall also comply with all Sharp policies that are provided by Sharp from time to time.
 - 2. Account Creation and Maintenance.** Based on the information provided to Sharp by Covered Partner for its Authorized Users, Sharp shall issue to each Authorized User a user identifier and password or other authentication mechanism. The Authorized User shall be authorized to access Sharp Link consistent with the rights of Covered Partner, any applicable Sharp policies (including those referenced herein), and the Authorized User's role(s) for Covered Partner. Covered Partner shall be responsible for and shall oversee the implementation and use of the user identification by Authorized Users and shall implement any other measures as may be appropriate to the Authorized Users, including, without limitation, any other measures required under Sharp policies.
- 4. SUPPORT; NOTIFICATION.** Covered Partner and each Authorized User shall report all issues, bugs and outages to Sharp's Technical Assistance Center at (858) 627-5000 or helpdesk@sharp.com, and Sharp will use reasonable efforts to remediate issues, bugs and outages that are reported in sufficient detail for Sharp to identify such issues, bugs and outages. If Covered Partner or any Authorized User suspects any violations of this Agreement, Covered Partner shall notify Sharp at infosecgroup@sharp.com.
- 5. RELEVANT POLICIES.** Covered Partner and each Authorized User represent and warrant that they have received, read and will comply with and cause its personnel to comply with the standard internal policies, procedures, rules, practices, and regulations of Sharp (as may be updated from time to time by Sharp) that are attached hereto in Exhibit A and are incorporated herein by reference. Sharp may update or modify any of the above policies at any time by providing an email notification to the address provided by Covered Partner or the Authorized User with the updated policy or a hyperlink to the updated policy. Covered Partner and each Authorized User
