Summary:

I started my career as a newly licensed nurse at Sharp Grossmont Hospital in a behavioral health unit and transferred to Sharp Mesa Vista (SMV) Hospital in 2020. I have been a psychiatric nurse in multiple different leadership roles since 2009. Teaching and mentoring have always been my passion. In addition, I lead several SMV educational programs including AVADE Workplace Violence Prevention training, Nursing Practice Council, and nursing orientation. I am currently participating in Sharp HealthCare (SHC) system initiatives such as System Foundation of Professional Practice, CAREforYou System Collaboration, and System Guidelines of Care. I also serve as a peer supporter for the SHC CareForYou program.
