Tia Fletcher, HR Intern 2023/24 season

“Following my experience on The Hive, I obtained an Operations Internship at the Club in July 2023. In my first season, I gained invaluable knowledge and experience. The team provided me with a high level of involvement in matchday delivery as well as ongoing projects from the beginning of my internship which has been amazing in my initial learning. As the season progressed, my role developed, and I have been able to experience a wide variety of different challenges surrounding matchday operations, safety and security and day to day facilities management.”
