THE CHAIRMAN ALAN PACE

A WARM WELCOME TO LANCASHIRE FA'S COUNTY GROUND FOR THIS EVENING'S GAME AGAINST AFC FYLDE WOMEN.

It's been a while since we had a midweek women's fixture, and there's a busy week ahead with another home game on Sunday against Derby County Women.

The team have enjoyed a recent run of positive results, with three consecutive wins on the bounce. I want to congratulate the squad on reaching the Semi-Final of the Lancashire FA Women's Challenge Cup, with a fantastic 4-2 win over Chorley Women FC on Sunday. It's always great to experience a cup run and to come back from 2-0 down shows real tenacity, so well done to the squad and coaching team.

The two games this week will be tough challenges, as Fylde and Derby are both strong sides. Admission to our home games at the County Ground is free and all support is very much welcomed. We would encourage anybody that hasn't attended a women's game to come down and support the team!

As mentioned in my notes for the Sheffield game, we are delighted to be able to offer Burnley FC Women branded home shirts on our TikTok shop at @BurnleyOfficial and both instore and online at the Clarets Store.

We are very excited as this is the first time in our Club's history that the women's branded shirts have been available to purchase in addition to men's and children's.

As the women's game continues to grow at Burnley FC, we want to make sure supporters have the opportunity to get to know our players. You can find out more about the team on the squads' section of the Burnley Football Club website. Various players, including Lauren our Captain and defenders Sammy Fleck and Olivia Wilson, have also filmed 'Getting to know' videos, which are embedded into the player's profile page, to give you a better insight into the team. Head over to our website to take a look.

I'm sure we're in for a night of fantastic football under the lights at Lancashire FA this evening. Whether you are attending in person, tuning in on TikTok or following the commentary on Burnley FC Women's social media - I hope you enjoy the game.

Thank you for your support.

**Up the Clarets!

THE CAPTAIN

LAUREN BRACEWELL

"THE FEELING WITHIN THE SQUAD AT THE MOMENT IS GOOD, WE'RE WORKING HARD IN TRAINING, AND WE NEED TO ENSURE WE KEEP GETTING RESULTS ON THE PITCH"

While it was great to reach the Semi-Final of the Women's Challenge Cup on Sunday, I thought it was a disappointing performance first half but luckily, we pulled it together in the second half to progress in the competition.

Tonight's game against Fylde is going to be tough, it's always a difficult game against them. When we played them at Mill Farm in August, they beat us 2-0 but then we got the win in November when we came face to face in the Women's FA Cup. This shows it's always a tight game and we'll all need to do our job effectively tonight to secure a win.

We have enjoyed a positive run of results recently and we want to keep the momentum going. The feeling within the squad at the moment is good, we're working hard in training, and we need to ensure we keep getting results on the pitch, to make sure that we finish as high up the table as we can come the end of the season.

No game is easy in this league, and we have two tough challenges this week, both tonight against Fylde and on Sunday against Derby County Women. Sunday is another home game at the County Ground, kick-off is 2pm and your support is very much appreciated if you can come down and support the team. Entry is free!

Thank you for your support and enjoy the game.

Lauren

ASSISTANT MANAGER

AMANDA GOODWIN

As a group of staff and a group of players we were very disappointed with the first half of Sunday's Women's Challenge Cup game. Not taking anything away from Chorley but they obviously contained us and frustrated us, and it showed in our first half performance. However, once we started to work things out, move the ball quicker, be tidy with our possession and not give the ball away and make too many mistakes, the confidence came through, the quality came through and we dominated the second half.

It's pleasing that we've come away with the win and importantly got competition within the squad now. We rotated the squad at the weekend to give players minutes, to add that competition. No player's place is safe, so it's real healthy competition within the group and that's what we thrive on as well.

In terms of tonight's game against Fylde, we're going into the game knowing it's not going to be easy, especially how we've started games recently. What we've been working on in training this week has been how we go into the game, the game plan and making sure we have a real understanding of how we want to play, but also how to try and stop Fylde because we know that they've got some experienced players, some quality players, players that can go and win them games, so we know that we have to be on it right from the first whistle, until the end of the game. We're not going to take anything lightly; we're going to go in there with a game plan and we know that we have to work incredibly hard to get the result that we want.

Thanks for your support.

CHALLENGE CUP SEMI-FINAL FOR WOMEN

BURNLEY FC WOMEN PUT ON A DOMINANT SECOND HALF PERFORMANCE TO SECURE A PLACE IN THE SEMI-FINAL OF THE LANCASHIRE FA WOMEN'S CHALLENGE CUP, WITH A 4-2 WIN OVER CHORLEY WOMEN FC.

Burnley travelled to Coppull FC, Chorley women's home ground, for the fixture and were pleased to welcome some familiar faces back into the side, with Lauren Bracewell and Kerry Hope featuring in the starting line-up.

The home side started strong, pushing the Clarets from the get-go. An early corner in the third minute showed the Chorley's intent and that a difficult afternoon was ahead.

The corner came to nothing but two minutes later the scoring was opened when a looping cross from Hindle wasn't collected and to Burnley's backline and keeper Bracewell's surprise rolled over the line, 1-0.

A goal ahead Chorley ramped up the pressure, but Burnley enjoyed more possession as they went in search of an equaliser.

As the game opened up, Nic Worthington shot from distance, but keeper Bradley collected the shot down the middle.

Former Burnley player Natalie Bell nearly extended the home side's lead on the 19th minute when her shot hit the post and the follow up was fired wide.

Burnley managed to pull one back on the 24th minute through Sarah Greenhalgh, to extend her successful return to the team, having scored four goals in four appearances, 2-1.

Another hit from Nic Worthington travelled over as Burnley pushed on before the half-time whistle, but Chorley went into the break with the advantage.

The Clarets came out for the second half with a big task ahead as they looked to implement some dominance on the tie.

Kerry Hope was replaced by Olivia Wilson in an alteration at the back, as the team went on the hunt for an equaliser.

It didn't take long, five minutes into the

second-half, strong play from midfielder Millie Ravening saw her driving forward to hit the ball past keeper Bradley, 2-2.

In a double change for the visitors Sammy Fleck and Courtney Willis came on for Mel Brown and Katie Thomas, in a change at the front and back.

Burnley were piling the pressure on in search of a lead for the first time in the game and keeper Bradley was forced to make two good saves to keep the score level.

Collins pushed forward for Chorley, but a well organised Burnley side were giving little away in the name of opportunities.

Burnley got their hard-earned lead in the 78th minute when a cross come shot by Olivia Greenhalgh evaded Bradley to give the Clarets the edge, 2-3.

As the game entered the final ten minutes Burnley continued to work the home side hard and their persistence paid off when Evie Priestley was well placed in goal to score a tap in, 2-4.

Despite a strong first half performance from the home side, the Clarets dominance in the second half ensured they secured the semi-final spot when the final whistle blew, 2-4.
