BOARDROOM

ALAN PACE

Welcome back everybody, to Lancashire FA's County Ground. It's been over a month since we last had a game here, so it's fantastic to be back on home soil this afternoon.

Our unbeaten run continued last Sunday in what was a brilliant performance away at Wolves Women. The opposition always prove a difficult test, having been league leaders last season, however the players should be extremely proud of their performance in what was a worthy 3-1 win on the day.

This afternoon offers another tough test against Nottingham Forest Women, hopefully we can keep the momentum going and put on another positive display.

To go six games unbeaten in this league is no easy feat and really highlights the hard work Jonathan, the staff and all the players are putting in both on and off the pitch. It's great to see the new players, and staff, gelling so well together and getting such positive results.

In exciting news off the pitch, the Club were delighted to attend the Leaders

in Sport Awards at London's National History Museum recently. Burnley FC was shortlisted in the Sponsorship Category, for our partnership with TikTok and Burnley FC Women. While we did not take home the award on the evening, it was fantastic to celebrate the partnership and all that it is doing for women's football.

Streaming our home games on TikTok, offers us the opportunity to reach all corners of the globe and bring Burnley FC Women and what we are working so hard to achieve here, to a bigger audience.

We take great pride in the partnership and I'm happy that it could be recognised at the awards ceremony.

Back to this afternoon, best of luck to the squad, we're all behind you.

Enjoy the game.

Up the Claretts!

HEAD COACH

JONATHAN MORGAN

Welcome back to the County Ground everyone. We've had fantastic support here for the two home games we've played so far this season, and I'm sure that today will be no different.

In the last few weeks, we've had some great results with last week's win at Wolves arguably bringing about our best performance of the season so far. The good thing from a manager's point of view is that there's still improvement to be had from this team, and they're working hard to make sure it happens.

The hours are being put in on the training pitch, and little things that we've worked on are being executed in game situations. Today, we need to carry on from where we left off against Wolves, because Forest are a top side in this division and pose another huge test for us.

“ THE HOURS ARE BEING PUT IN ON THE TRAINING PITCH, AND LITTLE THINGS THAT WE'VE WORKED ON ARE BEING EXECUTED IN GAME SITUATIONS.

I have every confidence in this side, and I'm proud to be managing them, as well as proud to wear this Club's badge. In every game, I – and the team – want to do you justice because your backing is fantastic.

Thankyou so much for the support so far, this is only the beginning. Enjoy the game!

Jonathan

CAPTAIN

LAUREN BRACEWELL

Good afternoon everyone, I'd like to welcome you all back to Leyland for today's game against Nottingham Forest. It's been a while since we last played here, and there's been plenty of match action since.

Me and the girls are over the moon to have gone top of the league last time out against Wolves. After a few weeks where we just about got the job done, we knew we'd need to raise our game and we did just that. They're a really good team, so the performance and the result go hand in hand.

And while we're delighted, we know it's still really early on in the season. There's a long way to go, plenty of games to be played, and most importantly a lot of hard work to be done. That starts today against a solid Forest outfit.

Thankyou as always for your fantastic support, we've seen some of you on the road in recent weeks, and I know today that you'll be right here backing us again as we return to our home turf.

“ THERE'S A LONG WAY TO GO, PLENTY OF GAMES TO BE PLAYED, AND MOST IMPORTANTLY A LOT OF HARD WORK TO BE DONE.

I always end my message with the same thing, and that's because I mean it. This is my Club, my town, and my team. It means more.

SIX-GOAL THRILLER AS CLARET WOMEN SHARE POINTS WITH TERRIERS

Burnley FC Women continued their unbeaten league run, with a 3-3 draw against Huddersfield Town Women at Lancashire FA's County Ground.

Midfielder Millie Ravening was on target twice for the Clarets, with Leah Embley also on the scoresheet for the first time this season.

FIRST HALF

Both sides came out firing in the September sunshine. It was Burnley who struck first, when midfielder Ravening nestled the ball into the Huddersfield net with five minutes played.

The lead didn't last for long though, when only three minutes later Huddersfield drove forward and number nine Katie Anderson finished at close range to make it 1-1. Burnley nearly re-gained their lead through positive play by Evie Priestley soon after, though her shot struck the woodwork.

Visitors Huddersfield were piling the pressure on, with Anderson almost netting a second, but Clarets Captain Lauren Bracewell got down quickly to her left to deny the forward.

Deep into injury time in the first half however, the Terriers did take the lead and it was Anderson who was again in the right place at the right time. Bracewell this time couldn't keep the strike out, and the visitors headed in at the break with a narrow lead against the run of play.

SECOND HALF

The contest's competitive edge continued from the whistle which signalled the restart, Burnley continuing on the front foot but

seeing Olivia Wilson forced off through injury not long into the second 45. Ella Kinzett replaced here.

As is often the case when the two sides meet, there was a frantic nature throughout. Huddersfield were next to go close in hitting the woodwork, this time via Mallin, before Amaya Coleman-Evans replaced Sarah Greenhalgh for the Claret Women.

But on 67 minutes Burnley's own pressure paid off with the leveller through Ravening from 12 yards out Embley, who had been causing the Terriers trouble from minute one, was brought down by Fletcher in the box. Referee Chelsea Hodgson was quick to point to the spot and Ravening calmly slotted the penalty past 'keeper Macgeary, securing her brace and making it 2-2.

Then, after Dom Cooper had made way for Lucia Molinari, it was Burnley born and bred Embley who fired her hometown club in front. She found herself unmarked and struck past Macgeary to hand Burnley the lead oncemore.

Substitute Coleman-Evans' time on the pitch was cut short as she picked up an injury not long after, with the Clarets rhythm seemingly disrupted with her withdrawal. Huddersfield got themselves back into the game, creating chances and breaking through the Burnley backline pushing for a late leveller. First hitting the bar oncemore, the visitors persistence eventually paid off deep into stoppage time when Elford nodded home to ensure the points would be shared.

CLARET WOMEN TAKE THREE POINTS WITH THREE GOALS AWAY AGAINST WANDERERS TO GO TOP OF LEAGUE

Burnley FC Women went top of the table in the Northern Premier Division of the FA Women's National League courtesy of a 3-1 win on the road against Wolverhampton Wanderers Women..

Ella Kinzett – who is on a dual registration from Manchester United Women – grabbed her first goal in Claret & Blue to send Burnley into half time winning 1-0, with Evie Priestley adding a second half brace. Wolves' goal came in the first of five added minutes at the end of the second half.

Claret Women boss Jonathan Morgan made five changes to the side from last weekend's 3-1 victory away at Hull City Ladies in the Determining Round of FA Women's National League Cup.

Emma Taylor and Alanta Brown returned from injury while Ellie May and Leah Embley were brought back in to bolster the attack, and Jess Simpson also returned at left back.

24 hours prior, Simpson was an unused substitute for parent Club Manchester United in their FA Women's Super League Cup game at Aston Villa as allowed by the terms of her dual registration agreement.

FIRST HALF

With both sides starting well, there was a flurry of chances in the opening 10 minutes. Millie Ravening first went close, dragging a shot wide having latched onto Leah Embley's cross, with Evie Priestley also sending an effort into the side netting.

At the other end, Maz Gauntlett struck wide on the half-volley from the edge of the area before Helen Dermody's shot went whistling over from distance. And after the game had settled down, there was little action of note other than a succession of Wolves corners, prior to the opening goal which came through Kinzett on 31 minutes.

Ellie May sent a corner delivery in which was initially headed away, but when the Claret Women kept it alive,

Kinzett was there at the back post to stab home.

Steady at the back for the remainder of the first half, Wolves struggled to create any clear-cut chances which threatened Lauren Bracewell's goal, and it remained 1-0 at the break.

SECOND HALF

Searching for a second, Ravening had a volley on the turn in the area well held by Wolves goalkeeper Bec Thomas soon after the restart.

The Wanderers then came close to a leveller as Gauntlett's header from Laura Cooper's cross hit the side netting, while Ravening again tried her luck minutes later but dragged a strike wide.

The second eventually came through the ever-clinical Priestley on 63 minutes with the striker taking advantage of a weak clearance from a cross into the area to dispatch the ball into the bottom corner.

Sarah Greenhalgh then replaced Ellie May in Burnley's first change, and she almost converted from close range following a corner, but 'keeper Thomas scrambled back to prevent the strike going over the line.

Greenhalgh also had a shot held by Thomas on 74 minutes having cut inside well to get away from her marker, and would have another effort go narrowly wide four minutes later after a driving run forward by Ravening.

Trying to find a route back into the contest, Amy Hughes – who earlier had headed over – sent an effort over the bar from distance, before Priestley made it 3-0 with her second of the game five minutes from time.

Latching onto a ball over the top, Priestley this time beat Thomas on the half volley from an acute angle.

And despite a late consolation from substitute Ali Miller for the hosts, Burnley earned a 3-1 victory which sent the Claret Women top of the league.

THE VISITORS NOTTINGHAM FOREST WOMEN FC

The first known female Forest team competed in the 'Notts and Derby League' in the early 1970s, but was officially founded in its current form in 1990 by the Club's community programme.

Throughout the early 2000s, Forest enjoyed success and went from playing in Tier 4 – the East Midlands League – to Tier 1 – the FA Women's Premier League Cup – in the

space of five years with three league titles along the way.

At the time, the FAWPL was the top division of English Women's football, and in that the Reds finished 2nd in 2010/11. They also reached the final of the FAWPL Cup the same season, losing on penalties to Barnet.

After an unsuccessful application to join the Women's Super League in 2014,

they remained in the FAWPL North before it moved into the current form of the Northern Premier Division in the FA Women's National League.

Forest's highest finish of late came in 2012/13, coming 2nd, with the next big news coming in 2019 when they changed the tagline at the end of their name from 'Ladies' to 'Women. At the same time, the

Reds also removed any tagline from their badge so it is now the same as the men's equivalent.

And last season, Andrew Cook's side won the FA Women's National League Plate with a 2-1 win over AFC Wimbledon in the competition's final. The Garibaldi sit 3rd ahead of today's game.

FAVOURITE HOLIDAY DESTINATION...

If I had to pick one it'd be somewhere in Spain, but put my name down for anywhere where it's sunny, there's a pool, and I can chill out with my family!

FAVOURITE FOOD...

Cake, as long as there's coffee with it!

FAVOURITE SONG...

I'm not sure if it's because I'm a bit older than most of the group, but I'm not really as into music as some of them are. If I hear a song come on the radio, I might like it, but I don't think I actually have a favourite one!

FAVOURITE SHOP...

I'm a mum and a teacher so it has to be B&M or Home Bargains. I feel like I spend so much of my time in both of those shops, it's excessive.

FAVOURITE THING TO DO ON YOUR DAY OFF...

Whenever I get the chance, I just love spending time with my kids and husband. We'll go on days out together, and just try to spend as much time as a family as possible.

FAVOURITE PLAYER...

I'm a born and bred scouser, so it has to be a Liverpool player and currently Mo Salah is the man. The last few seasons, he's been off the scale.

FAVOURITE MOMENT IN FOOTBALL...

I've been fortunate enough to have some amazing experiences in football, and I've played in some great teams, but none of them have ever made me feel at home like Burnley has and does. The two back-to-back promotions to get us into this league are probably my favourite moments, I finished as top scorer for the Club in both of those seasons. It was a privilege to be a part of it then, and it still is now.
