

PEOPLE OF N26

Alexander Weber

Chief Growth Officer

Alex joined N26 in 2014 as Entrepreneur in Residence, and is today the longest serving team member after the founders.

He played an instrumental role in obtaining N26's European banking license in 2016. After that, he assumed the role as Director of International Expansion, where he was in charge of making N26 available across 24 European markets.

In today's role as Chief Growth Officer, Alex is responsible for International Expansion, Marketing and European markets, focused on driving business impact and writing the next chapter of N26's growth story.

Alex is an entrepreneur at heart, passionate about solving meaningful problems at a global scale. Alex studied at the University of New South Wales in Sydney and the Vienna University of Economics and Business from where he has a degree in international business administration.
