

PEOPLE OF N26

Timo Meyer

Chief People Officer

Timo Meyer serves as Chief People Officer of N26 since 2022. In this role, Timo is responsible for the leadership of the N26 People Team, overseeing key initiatives including employee experience, organizational and leadership development, recruiting, employer branding, and rewards.

Since joining N26 in 2016, Timo has held multiple positions within the company, and played a crucial role for the success of the business in all of them. He previously served as Market Expansion Lead, Head of Growth Strategy, and most recently as General Manager of N26 in the United States of America.

Prior to joining N26, Timo worked at Deutsche Bank, where he held various roles in Corporate and Investment Banking. Timo holds a bachelor's degree in Business Administration and Finance from the Berlin School of Economics and Law.
