

PEOPLE OF N26

Daniel Lappas

General Manager, DACH & Northern Europe

Daniel Lappas joined N26 as General Manager DACH & Northern Europe in late 2022. He oversees the business strategy of the company in its home market Germany as well as in Austria, Switzerland and N26's northern European markets, which include Ireland, Sweden, Finland, Denmark, Norway, Iceland and Liechtenstein.

Daniel has extensive business strategy and risk management experience. His expertise is characterized by data-driven strategy development, process optimization and a focus on digital business models.

Before joining N26, Daniel served as Director of International Consumer Strategies & Operations at LinkedIn, where he was responsible for the growth of all international markets of the company. His previous positions include Boston Consulting Group and BMW Group.

Daniel graduated from the University of Trier with a degree in economics.
