

## PEOPLE OF N26

# Daniel Lappas

Chief Business Officer

Daniel Lappas was appointed to Chief Business Officer at N26 in January 2026. In this role, he leads the Business function, bringing together core commercial capabilities to steer our business, set strategy, define prioritization and roadmaps as well as driving the execution across all N26 markets, products and full P&L.

Daniel joined N26 in late 2022 as General Manager for DACH and Northern Europe, was later appointed as Director of Business, and subsequently, Vice President of Business. He led the transformation of N26's Business function and teams across Strategic Project Management, Data Analytics, Steering and Planning, Operations and Partner Management, as well as Procurement.

Before joining N26, Daniel served as Director of International Consumer Strategies & Operations at LinkedIn, where he was responsible for the growth of all international markets of the company. His previous positions include Boston Consulting Group and BMW Group.

Daniel graduated from Germany's University of Trier with a degree in Economics.
