N26 Leadership Update

Berlin, 25 January, 2022 - N26 Chief Operating Officer Adrienne Gormley will be leaving her role in April this year to pursue other challenges. Having played an important role in scaling and professionalizing N26's Operations division since coming on board in 2020, Adrienne will hand over her responsibilities to Chief Financial Officer Dr. Jan Kemper, who will take over the roles of COO and CFO going forward.

Jan has held a number of leadership roles in Operations prior to joining N26, including leading Finance & Operations as Managing Director at Omio (CFO/ COO). Having joined the company in 2021 and played a pivotal role in steering N26's recent Series E funding round, Jan will continue to build on the foundations Adrienne has laid as the company works towards its future goals, with a focus on delivering excellence in both Finance and Operations, seamlessly working together. Adrienne and Jan will work closely with each other to ensure a smooth handover of responsibilities effective immediately.

N26 would like to thank Adrienne for her contributions to the business in the past years. We wish her every success in her next challenge.
