N26 strengthens travel offer with Travel eSIM mobile plans and 1% cashback on international travel spend

Berlin, 17 July 2025 – N26 is expanding its travel offering with the launch of a new [Travel eSIM](#) – fully digital data plans designed to keep travelers connected in over 100 countries. *Travel eSIM* allows customers to activate their Travel eSIM in just a few taps within the N26 App without the need for a physical SIM card or additional app. The launch builds on the introduction of N26 SIM earlier this year, making N26 the first digital bank to offer fast and flexible mobile plans directly within its banking app.

Customers can enjoy flexible data plans with best-in-class prices, choosing from different plan sizes tailored to their destination, with highly competitive flat-rate. Customers can activate travel data plans for over 100 destinations within the N26 app in just a few taps. They can also buy data plans in advance, which automatically activate as soon as their device connects to the destination's network to avoid unexpected fees.

N26 offers one of the most competitive set of features for anyone traveling abroad, combining practical financial tools with valuable [travel benefits](#):

- **Market-leading exchange rates**, that remove the need to manage multiple foreign currency accounts
- **Fee-free card payments abroad**, simplifying spending without additional foreign exchange fees
- **Unlimited free ATM withdrawals abroad**, ensuring access to cash when needed without extra fees
- **Comprehensive travel insurance**, covering a range of travel-related situations, like trip delays and interruptions, baggage damage, medical emergencies and more
- **Access to over 1,300 airport lounges worldwide**, with digital lounge access passes available straight in the N26 app

N26 is also introducing 1% travel cashback on all in-person purchases made outside of Europe¹ going forward. Available to customers who have an active N26 Go or N26 Metal subscription², the cashback comes with no minimum spending requirements, or limits on the amount of cashback claimable on international
