

# OLLIE WALL STORAGE

URBAN OUTFITTERS

## Assembly Instructions

### TOOLS REQUIRED BUT NOT INCLUDED:

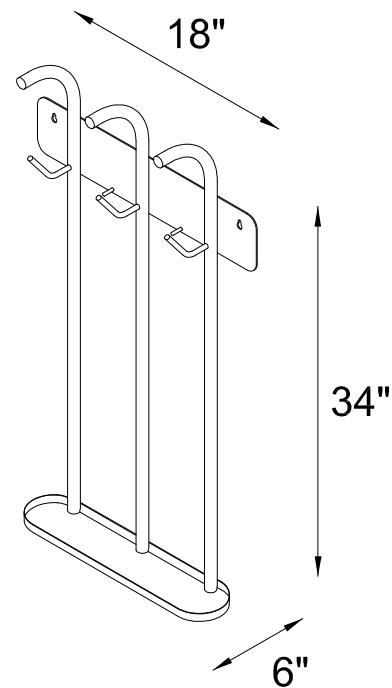

Drill, Phillips head screwdriver, Hammer, Pencil

### WARNINGS:

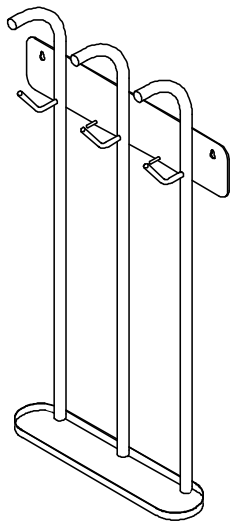

Two people recommended for assembly  
Do not discard packing materials and the carton until assembly is complete.  
Ensure all parts are present prior to assembly.  
Contact customer service immediately if any parts are missing.  
Assemble all parts on a clean, smooth surface.

### CARE INSTRUCTIONS:

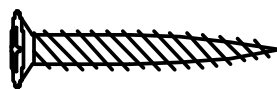

Avoid direct exposure to sunlight.  
Blot spills with a clean, white cloth; do not rub.  
Do not use harsh chemicals.  
Before cleaning any part, test a small spot in a hidden area.  
Do not place over heat or air conditioning vents.  
Do not over-tighten the parts.  
The parts may loosen after initial use; re-tighten as necessary.

### PARTS INCLUDED:

A) Wall Storage

B) Wall Screw [4x38] x2

C) Drywall Anchor x2

## Assembly Instructions

### STEP 1

Place the wall storage on the wall in a chosen location. Ensure the wall storage is leveled and mark the location for the screw holes on the wall as shown.

#### Wood or Stud installation:

Insert the screws (A) through the specified holes in the storage. Use a Phillips head screwdriver (not included) to fasten the screws (A) directly into the wall at the marked location. Leave 3/16" or 5mm between the top of the screws (C) and the wall.

#### Drywall installation:

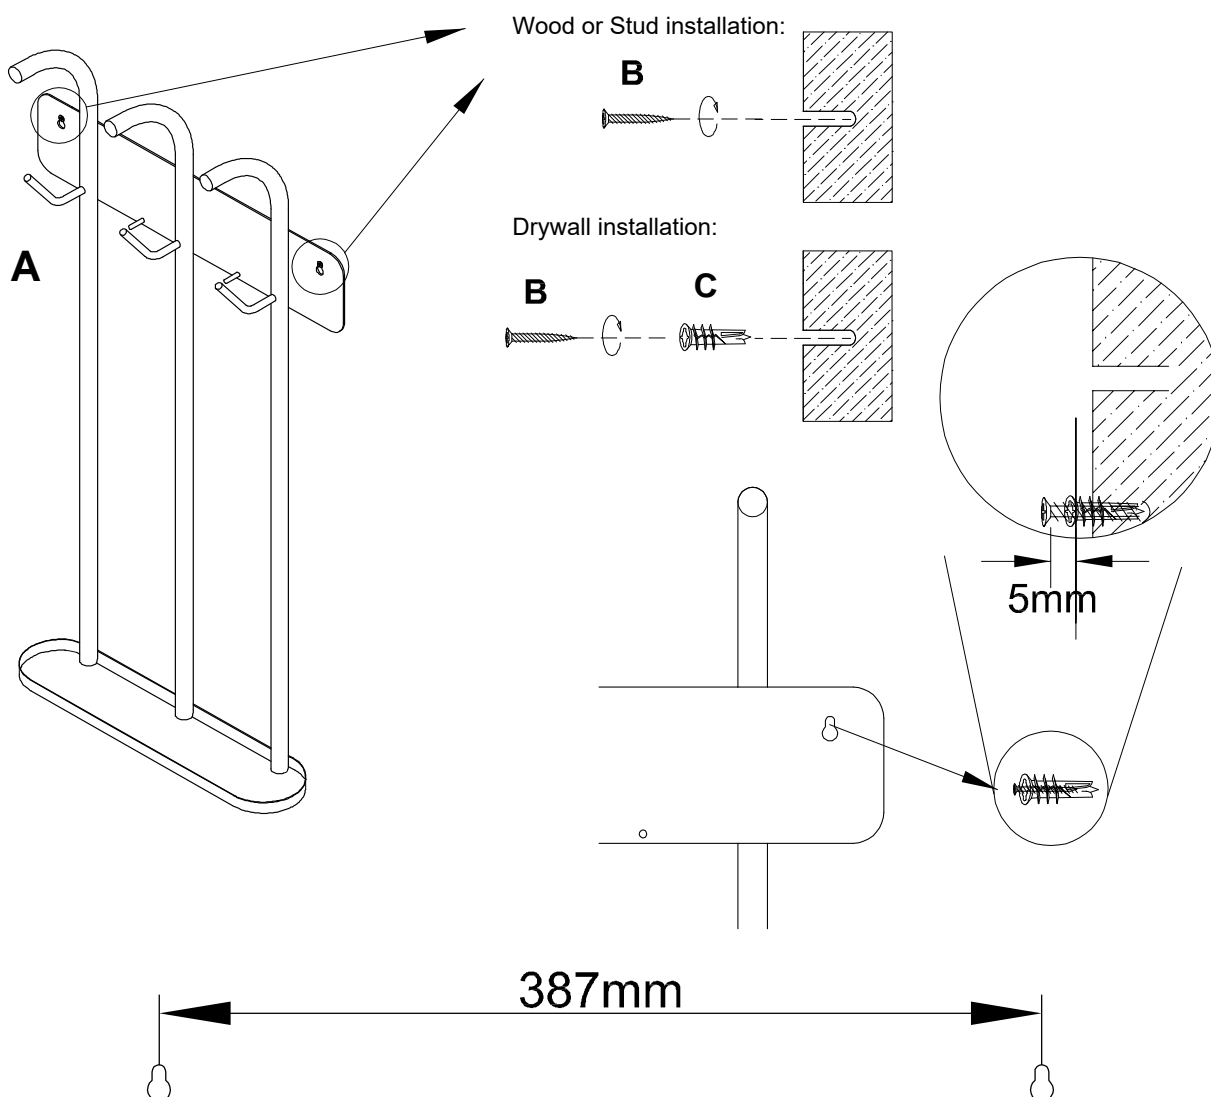

Insert drywall anchors (B) into the wall at the marked locations using a drill and a hammer (not included). Insert screws (A) through the specified holes in the shelf and into the anchors, then tighten with a Phillips head screwdriver. Leave 3/16" or 5mm between the top of the screws (C) and the wall.

### STEP 2

Gently hang the shelf (A) on the screws (C). If the shelf (A) slopes downward, tighten the gap between the top of the screws (C) and the wall.

### DO NOT OVERTIGHTEN THE SCREWS (C).

The included hardware is intended for attachment to drywall or wooden wall surfaces, contact your local hardware store to find the correct anchor for alternative wall-types such as stone or brick.

**Warning:** Young children may be injured by tipping furniture and the use of a tipping restraint is highly recommended. The tipping restraint is only a deterrent it is not a substitute for proper adult supervision.
