

ALANA KITCHEN ISLAND

Assembly Instructions

URBAN OUTFITTERS

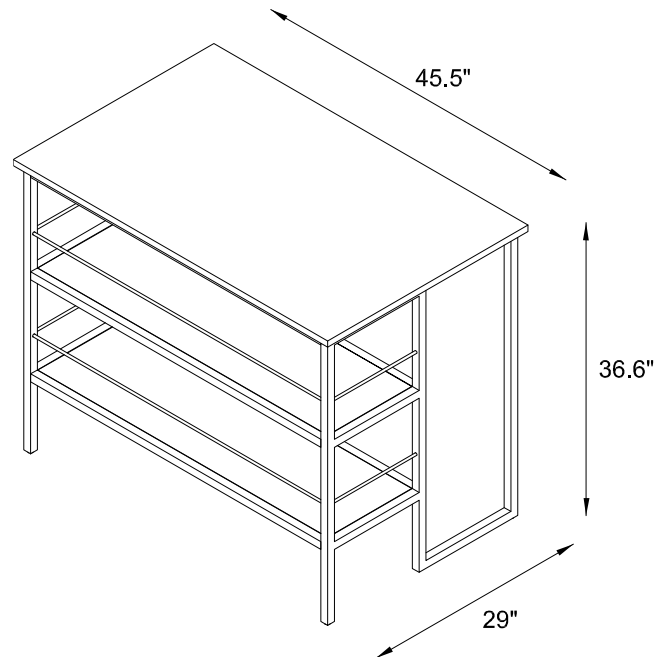

NO ADDITIONAL TOOLS REQUIRED

WARNINGS:

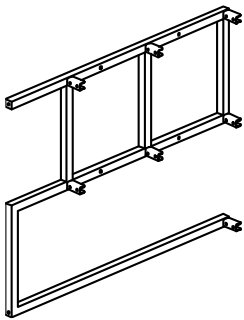

At least two people recommended for assembly.
Do not throw away packing materials and carton until after assembly.
Ensure all parts are present prior to assembly.
Assemble all parts on a clean smooth surface

CARE INSTRUCTIONS:

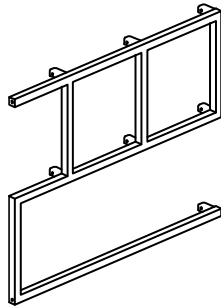

Avoid direct exposure to sunlight.
Do not place overheat or air conditioning vents.
Adjust levelers so that the furniture sits flat on uneven floors.
Blot spills with a clean white cloth, do not rub.
Do not use harsh chemicals.
Before cleaning any part test a small spot in a hidden area.
You may need to re-tighten all bolts after initial use.

ALANA KITCHEN ISLAND

Assembly Instructions

URBAN OUTFITTERS

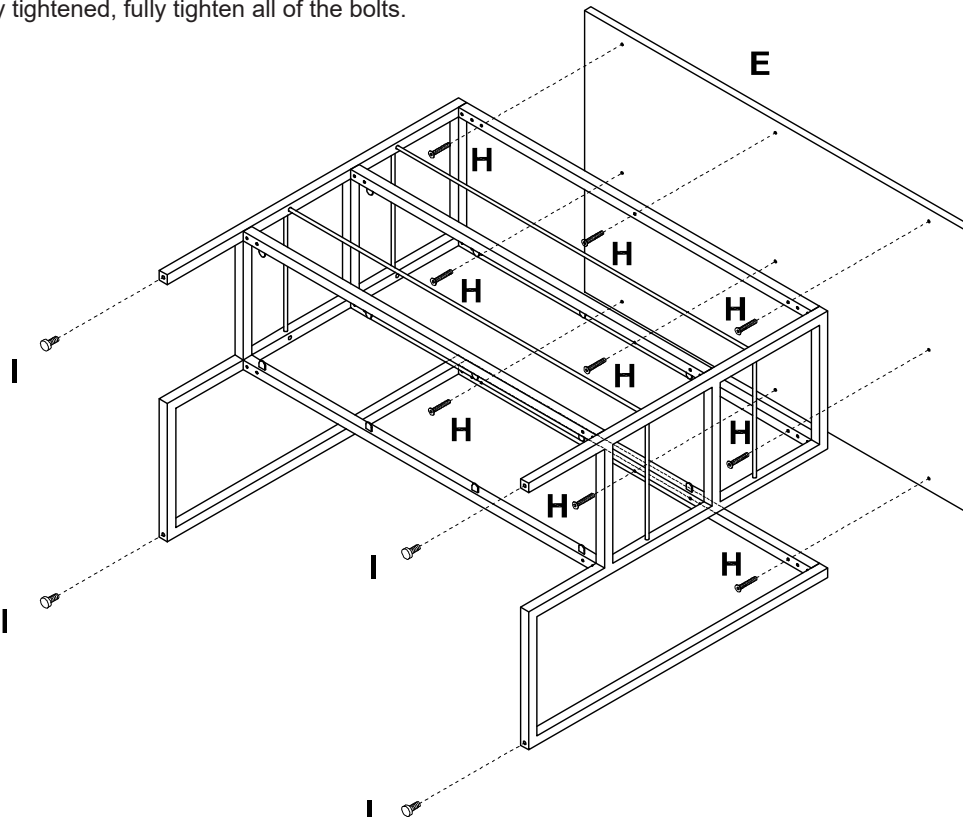

STEP 1

Lay down all the parts on the clean smooth surface such as carpet or cardboard for assembly. With help, align Left and Right frame (A-L) (A-R) with Cross Rail (B), Cross Rail with tab (C), and Metal Rod (D) as shown. Insert Bolts (G) and partially tighten with Allen key (K). Once all bolts are inserted and partially tightened, fully tighten all of the bolts.

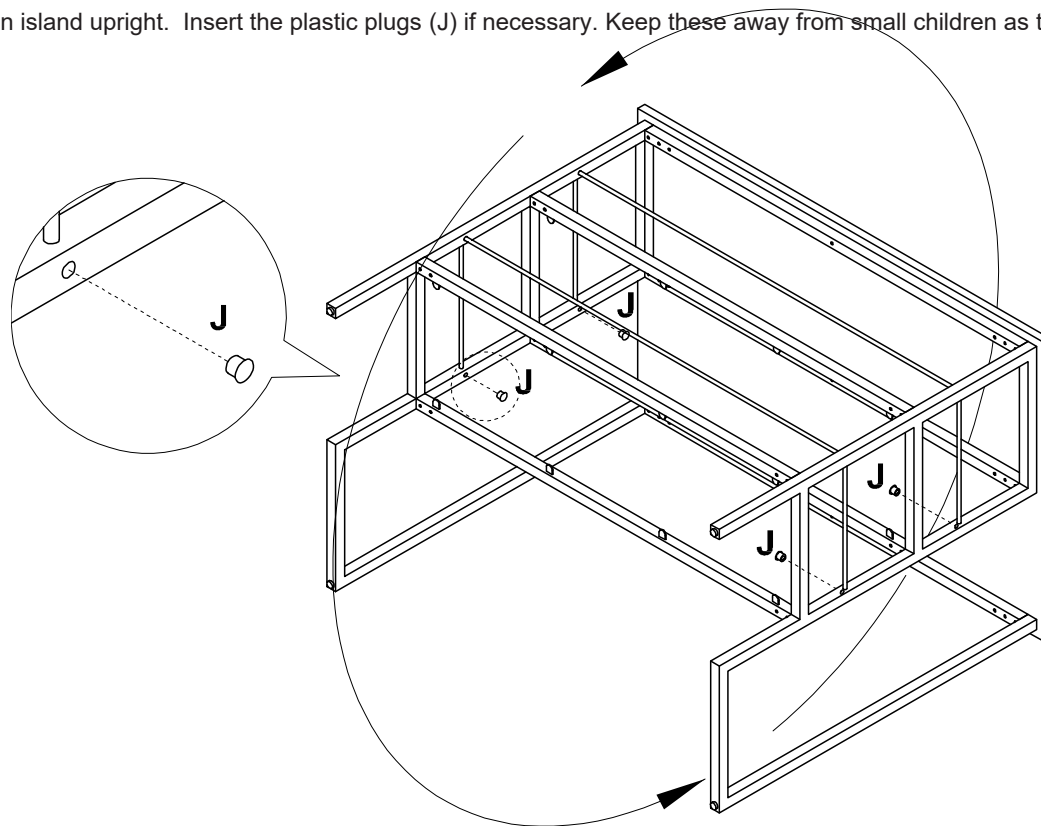

STEP 2

Align wood top (E) on assemble kitchen island as shown. Insert Bolt (H) and partially tighten with Allen key (K). Once all bolts are inserted and partially tightened, fully tighten all of the bolts.

STEP 3

With help, flip the kitchen island upright. Insert the plastic plugs (J) if necessary. Keep these away from small children as these can be a choking hazard.

STEP 4

Insert the sheet metal (F) on the kitchen island as shown. Adjust levelers as needed for uneven flooring.
