600	2.0 - 2.5	2.5 - 3.5	3.5 - 5.0

Do not feed more than 2.5Kg per meal. The recommendations provided are intended as a guide only. The amount fed will vary according to the horse's condition and the quality of pasture and/or roughage available. Barastoc Complete Performer can be used to supplement grazing and/or high quality roughage to not more than one half of the horse's daily feed intake by weight. Introduce this product gradually over a two week period. Intakes less than the levels listed may require additional vitamin and mineral supplementation.
