ENERGY**

**BALANCED
NUTRITION**

High energy feed for working horses.

WHAT WILL IT PROVIDE MY HORSE?

Contains steam flaked grains to provide a highly digestible form of energy that maximises performance and gut health.

Optimised bioavailable calcium to phosphorus ratio and magnesium enriched formula to support nutritional secondary hyperparathyroidism prone horses.

Increased minerals and vitamins including antioxidants to assist muscle recovering.

Contains Diamond V® XPC to promote gut health and improve calcium and phosphorous digestion.

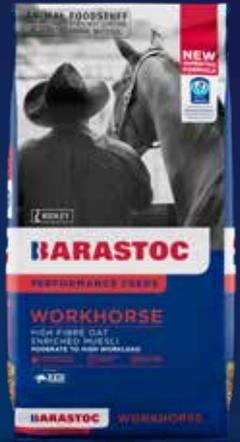

Includes Barastoc Gastrolize™, to aid in buffering the stomach and hindgut to assist in providing relief from the discomfort caused from gastric ulcers.
