The map contains a vast amount of text, including street names, place names, and geographical labels. Key locations include Kingsbury, Whitacre Heath, Waterworks, and Coleshill. Major roads are labeled with their designations, such as A491, A453, and the M6/M42 motorway. The map also shows various landmarks, parks, and the Sutton Park National Nature Reserve. The text is color-coded to match the map's features, with blue for water, green for parks, and yellow for roads.
