

Tingley General Purpose Hip Boots provide comfort, durability, and waterproof protection for a wide range of applications.

Whether you are hard at work or simply enjoying some time in the great outdoors, our general purpose PVC hip boots provide easy walking, excellent traction and all day protection.

- Steel Toe meets ASTM F2413 I/C PR SR for safety toe impact and compression, puncture resistance, and slip resistance
- 35" Ht. for full leg protection from deep water and wet areas
- Therm-O-Rad sealed seams for 100% liquidproof protection
- Flexible, puncture resistant steel midsole reduces risks from sharp objects
- Adjustable quick release buckles on belt loop for easy on/off
- Self-cleaning, cleated outsole spits out debris as you walk
- Removable insole wicks perspiration to help keep feet dry and comfortable all day

Our general purpose PVC hip boots provide easy walking, excellent traction and all day protection.

Cleated Outsole: Spits out debris for grip on indoor and outdoor surfaces.

Ideal Applications: Agriculture, Irrigation, Construction, Oil & Gas, Foul Weather, and other general purpose applications.

Chemical Resistance: Fats, certain acids, hydrocarbons, caustics, and other chemicals.
