

CUSTOMER	WERK-BRAU CO., INC.
INDUSTRY	HEAVY EQUIPMENT
SOLUTION	CONTROLPOINT™ VENDING SOLUTIONS

Since 1947, Werk-Brau has manufactured the highest quality and most innovative specialty products for the heavy equipment industry. They manufacture a complete line of O.E.M. and replacement attachments for excavators, mini excavators, backhoes, mini and full-size loaders, and crawler loaders.

Managing MRO inventory to ensure Werk-Brau is able to meet their production demands is a key component of their success. Werk-Brau is respected internationally for providing outstanding customer service and being dedicated to excellence in all aspects of their business. Werk-Brau manufactures and produces in Findlay Ohio, in a state-of-the-art facility.

Saved \$35K on dedicated stocking associate

GO AGAIN

"The convenience of the vending solution program has benefited our facility because we would not have been able to develop this type of experience on our own."

Kyle Brenamen,
Leader of Secondary Operations
