CQ2	In relation to MOVEit. Applicants are reminded to refer to the Draft Grant Agreement, specifically Schedule 3, paragraph 3.8a	The Authority will provide support throughout the Movelt account setup process for all successful applicants. To facilitate this, the Recipient must provide a valid business email address. Personal email addresses are not permitted. The email address must be assigned to and used by a single, named individual; shared or generic business email addresses accessed by multiple users are not allowed.
CQ3	Is a separate application required for each organisation participating in a joint-venture consortium?	No — only one application is required. A single submission should include all organisations participating in the joint-venture consortium (JVC). However, there are some questions (e.g. 4.7) which

		require the submission of particular documentation for EACH member of the JVC - Please refer to the Guidance to Applicants and questions for full details
CQ4	In what ways is the Find a Grant platform made accessible to individuals who need to access its content in various formats?	For information on the accessibility features available on the Find A Grant Portal, please refer to the following link - <a href="https://www.find-government-grants.service.gov.uk/info/accessibility">https://www.find-government-grants.service.gov.uk/info/accessibility</a> . Applicants are again reminded that the project proposal (Q 5) must be uploaded as a Word document and the funding toolkit template (Q 6) must be uploaded to the portal as an Excel document.
CQ5	In what ways is the Find a Grant platform made accessible to individuals who need to access its content in various formats?	In addition to the information provided in CQ4 - Applicants are also advised of the following functions: <ul style="list-style-type: none"> <li>- The website can be zoomed in up to 500% while keeping text on the same page; this can be done in the web browser.</li> <li>- If application text is needed, this can be downloaded as a text document and enlarged by the applicant.</li> </ul>
CQ6	If an organisation is delivering advocacy support activities across two different regions arising from workshop engagement and identified community need, should this be submitted as two separate applications, one for each region, or as a single application covering both areas?	Applications for more than one region in England, Scotland and Wales can be made via a single application IF the funding model is the same across each region being applied for. However, where there are differences in the funding model for any of the applied for regions, separate applications will be required. <p>This also applies to applications for multiple sub-regions within Northern Ireland.</p> <p>Any region/multi-region application in England, Scotland and Wales AND one or more sub-regions in Northern Ireland, WILL REQUIRE SEPARATE applications due to the variance in award caps.</p>
