Summary

Skills for Space: UK Space Agency Internships Programme 2026 offers paid, structured 8-week placements for second- and third-year undergraduate students and second-year Further Education or tertiary learners.

This flagship initiative is part of UKSA's Education and Future Workforce strategy, designed to address sector-wide skills gaps and promote equity, diversity, and inclusion.

Through Skills for Space, host organisations deliver meaningful, mentored projects aligned with real-world industry needs, while UKSA manages recruitment, matching, induction, and evaluation to ensure a high-quality experience for both interns and hosts.
