Get ready to power up in the world of Solo Leveling, where even the weakest hunter can become an unstoppable force. This isn't just another deck—it's your ticket to leveling up, slashing through dungeons, and proving that the only direction is up. Based on the insanely popular anime, this Challenger Series product puts you in the shoes of Sung Jinwoo, the underdog who takes on the world. Are you up for the challenge?

- An advanced, ready-to-play 60 card deck that includes 1 Sung Jinwoo character card along with a new Level-up card!
- Includes a booklet featuring a card checklist, as well as information for new players
- Level-up your Skill Tree: In Solo Leveling, your character evolves just like in the anime. Unlock abilities in the same order Jinwoo does, making each game a true adventure.
- Includes a Collector Booster Pack, featuring 6 Random Foil Alt-Art cards found in this Challenger Series release. Every card in the deck has an Alt-Art available!
