

2024 FACT SHEET

MCO

Official airport designator for Orlando International Airport (designator adopted from McCoy Air Force Base named after Colonel Michael McCoy)

Aviation Authority

The airport is operated and managed by the Greater Orlando Aviation Authority (GOAA), which consists of a seven-member board per below:

- Five appointed by the Governor of Florida
- Mayor of Orlando
- Mayor of Orange County

Land & Facilities

The airport property comprises 11,605 acres (4,694 hectares) making it the fourth largest commercial airport by landmass in the United States. Features include:

- 4 Parallel North/South Runways
- 19,153 Paved Parking Spaces
- 7 Million Square Feet Under Roof
- Home to the **largest rental car market** in the world with most major rental companies on airport property
- Larger footprint than JFK, MIA, LHR airports combined

Location

Centrally located within a two-hour drive of more than 60 percent of Florida's population. MCO is well positioned to support the region's dynamic economic growth.

Values

Service, Integrity, Efficiency, Excellence, Transparency

Mission

To seamlessly connect Florida and the world through exceptional experiences, collaboration, and creativity.

Vision

Be the global leader in the evolution of mobility.
