4. **Suit/Proceedings**. The Contractor agrees that any suit or proceeding initiated for the purpose of interpreting or enforcing any provision of the Contract or any matter in connection therewith shall be brought only in a court of competent jurisdiction in Orange County, Florida,

6. Whistle Blower Reporting Line. The Authority is committed to the highest level of integrity in its operations and is fully committed to protecting the organization, its operations, and its assets against fraud, waste or abuse. The Authority has established a Whistle Blower Reporting Line with a third-party service provider as a means for employees, contractors, vendors, tenants and the general public to report suspected fraud, waste or abuse in connection with Authority operations. 7. Continuing Effect of Contract Provisions. Except as amended by this Amendment No. 2, the Contract shall continue in full force and effect in accordance with its terms and conditions.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment No. 2 to be duly executed as of the date and year first above written.
