

## **Foundation for Angelman Syndrome Final Report Form**

### **Instructions**

*Thank you for your continued research and support for FAST's mission of bringing meaningful translational research approaches forward for individuals living with Angelman syndrome. Please include any relevant figures directly in the document, and include notes on what each figure represents. We also encourage you to include statistical reporting where necessary. Thank you so much for your cooperation and for your continued support and research toward curing AS.*

### **General Information Section**

**Primary Investigator:**

**Date of Report:**

**Title of Grant Reporting:**

**Year(s) in which grant was funded for:**

**Specific Aims of the project:**

**Aim 1:**

**Aim 2:**

**Aim 3:**

**Milestone Timelines as proposed from grant: (please copy and paste)**

## **Detailed Progress Section**

1. **Final progress on Aim 1:** *(please include figures, statistics, and note if a manuscript has been submitted)*

**Challenges encountered/milestones not met:**

2. **Final progress on Aim 2:** *(please include figures, statistics, and note if a manuscript has been submitted)*

**Challenges encountered/milestones not met:**

3. **Final progress on Aim 3:** *(please include figures, statistics, and note if a manuscript has been submitted)*

**Challenges encountered/milestones not met:**

4. **Progress on establishment of material sharing if this was part of the proposed grant/project:**

## **Budget Section**

1. **Amount of initial grant awarded:**
2. **Amount of grant remaining, if any:**
3. **Budgetary concerns:**

## **Additional Comments Section**

- 1. Following the conclusion of the project, what progress has been made towards goals, benchmarks and deliverables?**
- 2. How will this project contribute to treatments for Angelman syndrome?**
- 3. In what ways have you communicated your findings to other researchers (ie presentations/publications)? Are you planning any publications or collaborations with other scientists based on your current findings? Please provide details.**
- 4. It is FAST's hope that grants we fund will lead to additional support from government agencies and other funding sources. Have you applied to any other funding sources for continued support? Do you intend to apply to other sources? Please provide details.**
- 5. Additional comments/updates/challenges.**
- 6. Future directions of research project if applicable.**
