

**FOUNDATION FOR ANGELMAN SYNDROME THERAPEUTICS**  
**GRANT RENEWAL GUIDELINES**

If you intend to apply for an additional year of support, please follow the below guidelines and submit to [grants@cureangelman.org](mailto:grants@cureangelman.org) 8 weeks prior to renewal date:

1. A full progress report on Year 1 of the project. Please use the FAST Year-End or Final Progress Report form.
2. In addition to the progress report, please include:
  - a. Based on the current year of the project, what progress has been made towards goals, benchmarks and deliverables?
  - b. How will this project contribute to treatments for Angelman syndrome?
  - c. In what ways have you communicated your findings to other researchers (ie presentations/publications)? Are you planning any publications or collaborations with other scientists based on your current findings? Please provide details.
  - d. It is FAST's hope that grants we fund will lead to additional support from government agencies and other funding sources. Have you applied to any other funding sources for support? Do you intend to apply to other sources? Please provide details.
3. A full financial report on Year 1 of the project.
4. Scope of work for year 2 of the project.
5. Budget request for year 2 of the project.
6. Lab budget including other sources of funding for this project and related work.
