

# GARY'S LIGHT™

5 ml Item No. 35606

Gary's Light™ is formulated to enlighten our minds to a greater awareness of truth and discernment—certainly something we need today.

Mary Young often thinks about new blends based on formulas Gary Young made at home; and because of their close relationship, she often brings new things to light through her understanding of Gary and impressions she has.

The aroma is so smooth and elegant and so perfectly balanced that there is no mistake that it's Gary's formula. This blend is very special and gives a calming feeling of strength that makes you feel grounded and protected while filling your heart with joy and peace.

This blend reflects oils and pairings that captured Gary's imagination for years.

Reflecting on Gary's passion, legacy, and impact, Mary Young brought this blend to life to share that legacy, featuring oils with ancient backgrounds and with uses that resonate today, as well as others that feature specific compounds for targeted needs.
