

# HAVEN DIFFUSER COLLECTION

Item No. 35927

Take time to reflect with gratitude for the people and experiences that have made this past year unique and memorable.

Place this artisan ceramic diffuser, crafted with natural porcelain ceramic (commonly used for works of art, dishes and decorative tiles around the world), on your desk or windowsill for a serene glow.

Artisans fire each moulded piece of white clay twice to achieve the translucence of pure white porcelain as well as the desired shine and hardness. It is harder, denser and less porous than regular ceramic, making it more scratch-, chip- and stain-resistant and better able to hold up against heat and UV rays.

Diffuse drops of Vanilla or Christmas Spirit™, uplifting your mood and inspiring moments of relaxation.
