**Directions: Answer the following questions using complete sentences.**

8. Describe several specific ways Clara Barton helped soldiers during the Civil War.  
Clara Barton helped in many ways. She first wrote advertisements to get donations for medical supplies. She also read to injured soldiers to comfort them, delivered medical supplies to the front lines, dressed wounds, and even assisted doctors in surgery.
9. Explain Clara Barton’s philosophy on how to handle situations that don’t seem fair.  
When something happens that is out of your control, there is no use moping around or complaining about being a victim. Bad things happen to everyone. What’s important is how you pick yourself up, bounce back, and figure out how to find even better opportunities.
