## CROSSWALK

***Educational Content for Civics K-12th Grade***

# Welcome to PragerU Kids Constitution Crosswalk

Designed by educators for parents and teachers, this Constitution Crosswalk for grades K-12 aligns PragerU Kids' free content with key themes commonly taught during Constitution Week in September, ensuring lessons are interactive and help meet educational standards. The free videos, worksheets, and lesson plans in this crosswalk will help educators teach fundamental, age-appropriate concepts of the U.S. Constitution, the Bill of Rights, and federalism.

## What Is a Crosswalk?

This "crosswalk" is a guide that connects your state's education standards with PragerU's free content, including videos, lesson plans, worksheets, and books. It is designed to supplement the curriculum recommended by your school board.

## How to Use the Constitution Crosswalk

PragerU Kids' free educational content makes learning about civics fun and engaging for children of all ages. Each resource in this crosswalk links directly to the PragerU Kids website and app (for use on tablets and TVs), making it easy to enhance discussions with engaging multimedia resources. To use the enclosed content, we recommend searching for the topic of interest and selecting the appropriate age range for your learner(s). For example, if you're teaching the Bill of Rights and your child is in middle school, you may choose "Street Smarts: The Bill of Rights" on page 13. Once you click the hyperlink, our website or app will provide a short video, lesson plan, and worksheet, designed to take your student approximately 15-45 minutes to complete.

*"Freedom is never more than one generation away from extinction. We didn't pass it on to our children in the bloodstream. The only way they can inherit the freedom we have known is if we fight for it, protect it, defend it, and then hand it to them with the well-taught lessons of how they in their lifetime must do the same."*

**Ronald Reagan, 40th U.S. President**
