

TO OUR HEROES IN BLUE:

On behalf of the entire PragerU community,

THANK YOU

Deeply. Profoundly. Sincerely.

We are grateful for all that you do to keep us safe.

Please know that we appreciate your selfless commitment to the well-being of our communities. Please know that while it might not always seem like it, the overwhelming majority of Americans love you and trust you. Please know that we understand you are the thin blue line that separates us from chaos.

We are angry and frustrated that so much attention is focused on a few bad apples instead of the 99.9% who do heroic work every day. We can only imagine how you feel.

Stay safe. Stay strong.

If there's anything we can do for you, please let us know.
We need you more than ever.
