

## The Evergreen State | Lesson Plan

What are the unique facts and features about the state of Washington?

---

Students will understand Washington's geography, unique characteristics, and historical significance.

### Learning Objectives:

- Identify and locate the state of Washington on a map, understanding its geographical positioning among the 50 states.
- Know the abbreviation for the state of Washington and be able to spell its name.
- Describe nine unique characteristics of Washington, including aspects of its history, climate, and cultural significance.

### Key Vocabulary:

- **Cross of Burgundy Flag:** A historical banner featuring a red diagonal cross, resembling two crossed, knotted branches. It was used by Spain and its territories, including parts of the Americas, symbolizing Spanish influence and power from the 16th to the 18th centuries.
- **Louisiana Purchase:** The acquisition of a vast territory in North America by the United States from France in 1803. The purchase, negotiated by President Thomas Jefferson, doubled the size of the U.S., adding approximately 828,000 square miles of land west of the Mississippi River. This territory includes all or part of 15 current U.S. states and is considered one of the largest land deals in history.
- **Corps of Discovery Expedition:** A significant journey led by Meriwether Lewis and William Clark from 1804 to 1806, commissioned by President Thomas Jefferson to explore the newly acquired Louisiana Purchase, map the uncharted territory, establish American presence before European powers tried to claim it, and study the area's plants, animal life, and geography while also establishing trade with Native American tribes.
- **Puget Sound:** A large estuary (a coastal area where freshwater from rivers mixes with saltwater from the ocean) in the Pacific Northwest of Washington State. It features interconnected marine waterways and basins, and is renowned for its diverse marine life, including orcas and salmon, as well as its cultural and economic significance to the region.
- **Space Needle:** An iconic observation tower in Seattle, Washington, standing 605 feet tall. Built for the 1962 World's Fair, it features a distinctive saucer-shaped top and offers panoramic views of the city, Puget Sound, and the surrounding mountains.

**Educational Standards:** CCRA.R.1, CCRA.R.7, CCRA.SL.1, CCRA.SL.2, CCRA.W.7, CCRA.W.8

**Academic Subjects:** America, History, Geography

## Lesson Plan (45 mins.)

### Warm-Up: (10 mins.)

1. Begin by exploring the concept of the United States as a unified country with diverse states, each with its unique history, landscape, and characteristics. Reflect on the meaning of the word "United" in "United States" and its significance.
2. Introduce the "Unboxed, USA: Game Map," explaining the instructions and emphasizing the mystery element of identifying one of the fifty states through clues.

### Watch and Complete: (25 mins.)

1. Explain that students will play a game to discover the mystery state.
2. Play the video. Encourage active participation and observational skills.
3. Pause the video as needed to allow students time to process information, make educated guesses, and understand key points in greater depth.
4. Take time to go over key vocabulary and historical elements for the state of Washington.

### Wrap-Up: (10 mins.)

1. Facilitate a review of the nine key facts about Washington, encouraging students to articulate their learning and contribute their insights either verbally or by writing on the board.
2. Consider collecting the completed activities as a formative assessment to gauge understanding and engagement with the lesson's content.

### **Optional Extension Lesson:**

- Analyze the role of the Electoral College in the presidential election process, considering its impact on state representation, the balance of power between states, and its alignment with the principles of federalism outlined in the U.S. Constitution.

Distribute the game map and allow students to complete it while they follow along with the video.

**Instructions:**

Play along with the **Unboxed, USA** video. After the first three clues, mark your initial guess with a "1" on the state you think it is. Start jotting down any important facts on the lines provided. After the next three clues, make your second guess by marking a "2" on the state you think it is. Continue adding facts to your list. Following the last set of three clues, make your final guess and mark it with a "3." Were you correct? Put a star on the correct state and write it out on the line provided. Aim to have a list of six key facts by the end of the episode.
