### CRAFTORY SUPPLIES

The story of Hanukkah is a reminder of God's amazing miracle of providing eight nights of oil in the ancient Jewish temple in Jerusalem. Today, all that's left of the Jewish temple is one wall known around the world as the **Western Wall or Wailing Wall**.

In this Craftory episode, you can build your very own model of the Western Wall using simple household items. Scan the QR code to watch the episode and reference the list below for the materials you will need.

### SUGAR CUBE WESTERN WALL

1. Brown Sugar Cubes
2. Clear glue
