

# THE CANDACE OWENS SHOW

# HI, I'M CANDACE OWENS, AND I'VE GOT A QUESTION FOR YOU.

What if "BLEXIT" were to really happen? What if millions of black Americans were to wake up, abandon leftist ideas and the chains of big government, and reclaim their power and potential?

And what if even more Americans were to join them? White, Hispanic, young, old, male, and female?

## GUESS, WHAT? WE'RE NOT FAR OFF.

After just three episodes, my new show, The Candace Owens Show, was the No. 1 educational podcast on iTunes. This is an example of what entertaining, well-marketed content by PragerU can do: Change minds on a massive scale. My new show features one-on-one interviews between me and some of America's most exciting figures – on the right and the left. My goal is to expose new audiences to conservative ideas in a way that's fresh, exciting, entertaining – and like me – a little edgy. The most important audience of all: the black community.

## Presenting a new perspective to the black community is my passion.

### I'LL TELL YOU WHY:

I could have easily claimed victimhood, and for years, I did. I'm a woman. I'm black. I grew up in low-income housing. My father was never around. Many of my family members were incarcerated. I was the victim of a hate crime.

Instead, my life has been a story of triumph. But only after I stopped believing the lies of the Democratic Party. The biggest lie of all? That I'm a victim.

It all changed when I thought back to the biblical teachings of my childhood and to the encouragement of my grandfather. I started thinking critically. I realized that leftist policies like the welfare state were hurting my community, not helping. I sought the help of God, not government. Suddenly, for the first time in my life, I was free.

My first YouTube video in 2017, "Mom, Dad, I'm a Conservative," was my attempt to share that freedom with the world and help free others. My videos went viral overnight, and pretty soon I had the attention of influencers like PragerU and Turning Point USA.

That was 2017. Since then my message of hope for the black community and for all those oppressed by leftist policies has resonated with people all over the world. My digital media footprint has grown to many millions of followers.

### THAT'S WHY I BELIEVE WE ARE ON THE VERGE OF SOMETHING INCREDIBLE WITH THE CANDACE OWENS SHOW.

# THE CANDACE OWENS SHOW NEEDS YOU

**THERE'S NOTHING THE LEFT HATES MORE THAN A STRONG, INFLUENTIAL BLACK CONSERVATIVE.**

I've been smeared, libeled, protested, publicly harassed – even kicked out of restaurants. I've been called anti-LGBT, anti-woman, and (bizarrely) a white supremacist. You know how it goes.

The more influential I become, the more the Left wants to shut me down.

They're even trying to censor episodes of The Candace Owens Show.

**That's why I want you to consider becoming a sponsor of The Candace Owens Show.**

Your sponsorship of an episode of The Candace Owens Show will ensure that we can keep reaching new audiences, fight censorship, and get the message out!
