 - c. **18**
4. As queen, Victoria became the symbol of what?
 - a. Womanhood
 - b. **The Earth’s mightiest empire at that time**
 - c. Authoritarian government

Directions: Answer the following questions using complete sentences.

5. Great Britain was once known as “the empire where the sun never sets.” In your own words, explain what that meant.
During the Victorian Age, the British Empire had so many colonies worldwide that it was always daytime somewhere that Great Britain controlled.
6. Discuss the importance of using good manners in any situation.
Answers will vary. Sample answer: By using good manners, we show respect to others around us and show them they are worthy of our respect. We all represent something. If nothing more, we continuously represent our families and our country.
7. Queen Victoria gracefully withstood the many pressures of being queen. How did she remember the many rules she was expected to follow?
Answers will vary. Sample answer: Queen Victoria could remember the many rules by practicing every day. When she made a mistake, she persisted.
