The Little Dutch Hero | Answer Key

<p>Peter stays by the dike all night, cold and scared but determined to hold the water back.</p> <p>3</p>	 An illustration of a young boy with a worried expression, wearing a white shirt and dark overalls, standing by a stone dike at night. He is holding a small blue object, possibly a piece of cloth or a plug, against a hole in the dike. The background is dark blue with a crescent moon and stars. A small 'PragerU' logo is in the bottom right corner.
<p>Peter's mother asks him to deliver cakes to the blind man.</p> <p>1</p>	 An illustration of a woman in a blue dress and white apron holding a bowl of food, talking to a young boy in a green shirt and overalls. They are in a kitchen with a stove, hanging pots, and a teapot. A small 'PragerU' logo is in the bottom right corner.
<p>After helping Peter, the villagers repair the hole in the dike.</p> <p>4</p>	 An illustration of four villagers working together to repair a hole in a dike. One man is using a hammer, another is using a pickaxe, and a woman is holding a basket. A small 'PragerU' logo is in the bottom right corner.
<p>Peter sees the hole in the dike and puts his finger in to stop the leaking.</p> <p>2</p>	 An illustration of a young boy with a happy expression, wearing a white shirt and green overalls, standing by a stone dike during the day. He is holding a small blue object against a hole in the dike. The background shows a green hill and a blue sky. A small 'PragerU' logo is in the bottom right corner.
