

AMERICANOS

A SHOW FROM:

WE'RE LATINOS IN AMERICA WHO LOVE AMERICA.

**WE REJECT THE IDEA THAT WE ARE OPPRESSED
AND EXPLOITED BY SYSTEMIC RACISM.**

We have different backgrounds, but a common goal: disprove the left's false narrative.

A Cuban is not the same as a Mexican. A Puerto Rican is not the same as a Colombian. Yet, the left lumps us together and tells us they have our best interests at heart. They call us race traitors for being conservative and embracing our values.

We've suffered firsthand from their lies. We have witnessed the breakdown of our families, the overregulation of our businesses, and the deterioration of our cities and schools.

We all have stories to share – and PragerU is helping us share them. Together, we will build the largest movement of freedom-loving, norm-breaking, American Latinos the world has ever seen.

WE ARE LATINOS,
AND
WE ARE THE
AMERICANOS!

We love this country, and have benefited from the American Dream.
We embrace the Judeo-Christian values that shaped the founding of the United States of America.
Americanos, a new documentary series by PragerU, will share our stories
with millions of Americans and people around the world.

ABOUT THE SHOW

Every episode of *Americanos* will focus on a different theme, illustrated through one of our personal stories. Rather than a single host, *Americanos* will allow us to share the spotlight. In this way, *Americanos* will represent Latinos from all backgrounds with different religions, diverse views, and varied political affiliations. The common thread is a love for America.

**WE'LL COVER
A VARIETY
OF TOPICS:**

FAITH AND FAMILY

**LATINO-OWNED
SMALL BUSINESSES**

THE SCHOOL SYSTEM

ESCAPING

FROM A SOCIALIST, CORRUPT, OR TOTALITARIAN COUNTRY

IMMIGRATION

CONSERVATIVE VALUES

(MARRIAGE, FAMILY, HARD WORK, AND PERSONAL RESPONSIBILITY)

WHO ARE WE?

We are small-business owners. Left-wing policies are stopping us from growing our businesses in cities all over the country.

We are children and grandchildren of immigrants from countries such as Cuba, Guatemala, El Salvador, and Mexico. We have been used as political pawns to further the interests of those who don't care about us.

We are students who have gone through the educational system and seen firsthand how the unions have corrupted our schools and teachers. We are the ones whose brothers and sisters sit in jail – the victims of gangs. Our families have been destroyed by welfare and other big-government programs, which have robbed us of opportunity, and created cycles of poverty.

We practice conservative values and we believe in the God of the Bible.

We have learned to think for ourselves and reject the lies of the left.
