Lesson Plan (45 mins.)

Warm-Up: (10 mins.)

1. Begin by exploring the concept of the United States as a unified country with diverse states, each with its unique history, landscape, and characteristics. Reflect on the idea of 'United' in 'United States' and its significance.
2. Introduce the *Unboxed: Game Map*, explaining the instructions and emphasizing the mystery element of identifying one of the fifty states through clues.

Watch and Complete: (25 mins.)

1. Explain that students will play a game to discover the mystery state.
2. Play the video. Encourage active participation and observational skills.

Scan to watch episode:

3. Pause the video as needed to allow students time to process information, make educated guesses, and understand key points in greater depth.

Wrap-Up: (10 mins.)

1. Facilitate a review of the nine key facts about Wisconsin, encouraging students to articulate their learning and contribute their insights either verbally or by writing on the board.
2. Consider collecting the completed game map activities as a formative assessment to gauge understanding and engagement with the lesson's content.

Optional Extension Lesson:

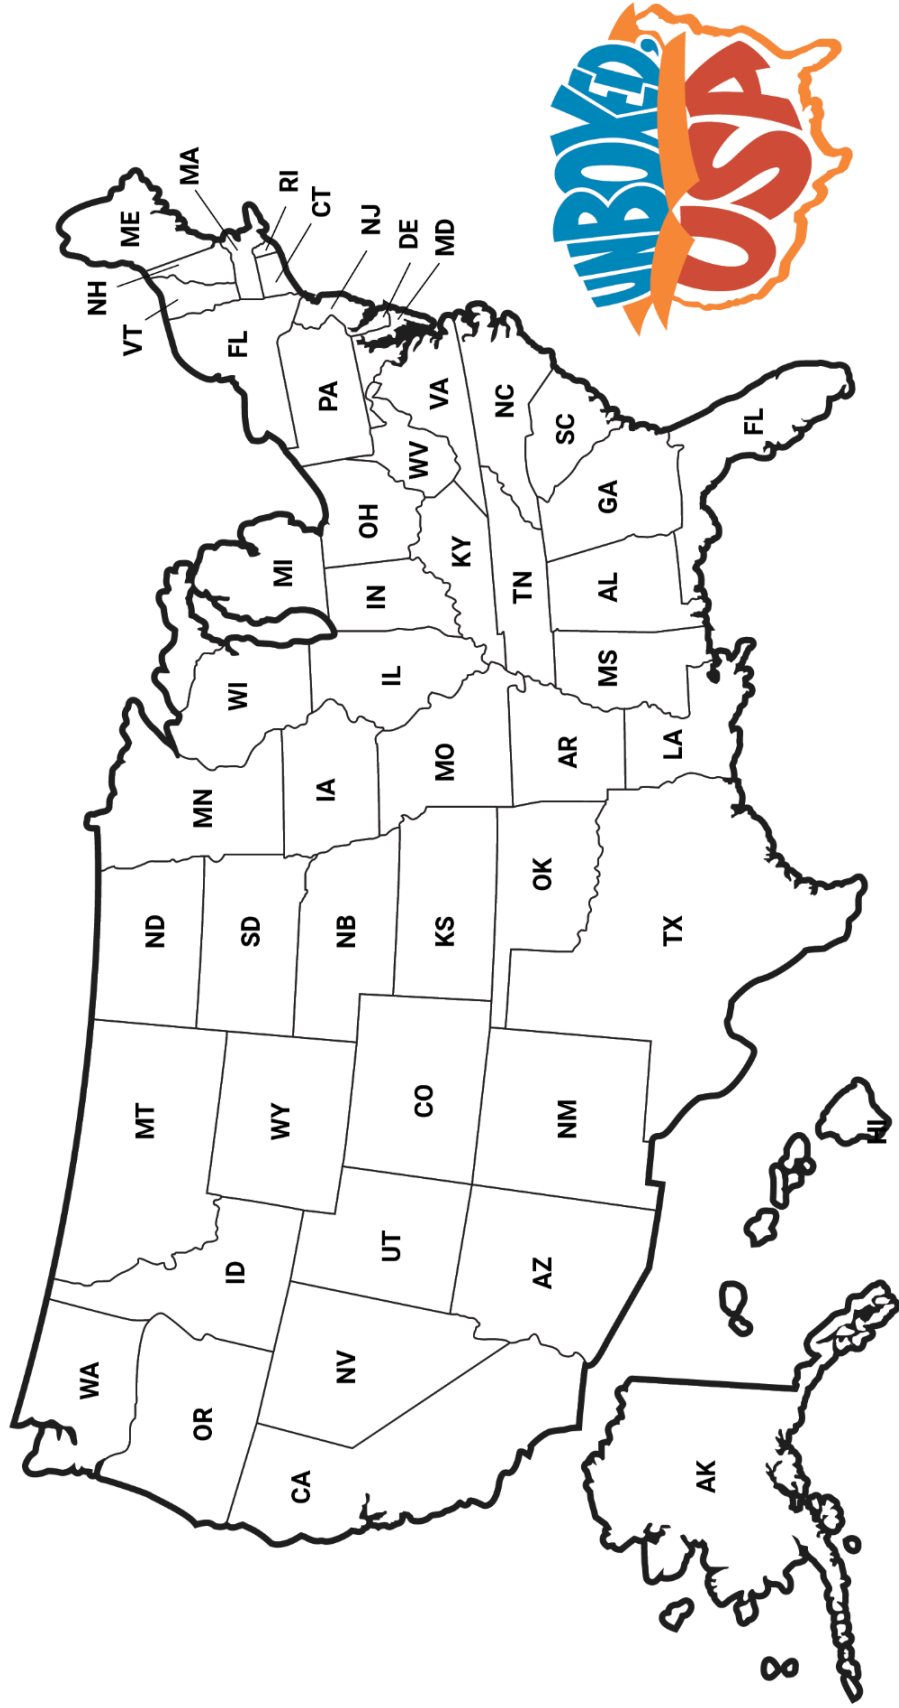

- Analyze the role of the Electoral College in the presidential election process, considering its impact on state representation, the balance of power between states, and its alignment with the principles of federalism outlined in the U.S. Constitution.
- Analyze the concept of federalism and its impact on the relationship between state and national governments, as outlined in the U.S. Constitution.

Don't have time for the full lesson? Quick Activity (15 mins.)

Distribute the game map and allow students to complete it while they follow along with the video.

Instructions:

Play along with the *Unboxed, USA* video. After the first three clues, mark your initial guess with a "1" on the state you think it is. Start jotting down any important facts on the lines provided. After the next three clues, make your second guess by marking a "2" on the state you think it is. Continue adding facts to your list. Following the last set of three clues, make your final guess and mark it with a "3." Were you correct? Put a star on the correct state and write it out on the line provided. Aim to have a list of six key facts by the end of the episode.
