## PAYMENT & REFUND POLICIES

**Payment Required to Register:** Once you are accepted at ADMI, your place will only be confirmed after you present the equation certificate from KNQA, pay the required insurance and a minimum of 50% of the term fees. Accepted students are encouraged to register as early as possible to secure a place in their desired programmes.

**Refunds:** All payments are non-refundable. ADMI will only refund students if a programme is canceled, and students and sponsors will be notified of any cancellations by May 22, 2026. ADMI reserves the right to cancel a program for operational reasons.

 **Late Payments:** Students will not be allowed to attend classes until payment has been made. Non-attendance negatively impacts academic performance. Students who miss 2 or more classes will be required to retake the unit. Therefore, ADMI strongly encourages students to make the payments on time. The last day for late registration is May 22, 2026. Students will not be admitted after May 22, 2026.

**Deferring a Term:** A student can defer to the next term if they are not able to pay the required fees by the stated deadlines. In order to be readmitted, the student will be required to pay the fees applicable to that term.

**Enrolling in Additional Units:** If a student wishes to pursue an interest outside his/her programme, he/she can enroll in an additional unit. Students are required to inform the Registrar in writing by January 22, 2026 and pay an additional Kshs. 25,000 per unit.

**Resit Policy & Payments:** If a student scores between 50%-59%, they will be admitted to the next semester on condition that the student resits any units (where scores fall between 50-59%) before progressing to another semester. The cost incurred for a resit is Kshs. 5,000 per unit.

In the event that a student is transitioning from a certificate to a diploma program, an exception will be made to allow the student to sit for a supplementary/resit for the unit(s) they have failed at a rate of Kshs. 5,000.

Note that the student must receive formal clearance from the Registrar, as well as the Finance department before making payment for the supplementary/resit. The Registrar will be responsible for scheduling all resits/supplementaries for transitioning students.

**Retake Policy & Payments:** As a premier institution, ADMI upholds high academic standards. If a student scores 49% and below, he/she will not be admitted to the next semester and must retake the entire unit during the following semester before progressing into their respectful cohort. The cost incurred for retakes is Kshs. 25,000 per unit.

**Remark and Payments:** Students who wish to have their examination papers remarked can do so by making a formal application to the Registrar. The cost incurred for the remark is Kshs. 5,000 per paper.

**Students Who Fail Multiple Units & Fail to Uphold Our Code of Conduct:** In special circumstances where a student has failed multiple units and fails to show up for classes for his/her retake or disappears during finals week without communication to the Registrar and Finance team, the administration reserves the right to dismiss the student from continuing their studies at ADMI.

**Disclaimer:** ADMI reserves the right to modify entries on this fee structure. **Fee Increase:** Please be aware that school fees are liable to increase between 10% and 20% every January to account for inflation and other considerations.

**Dishonoured Cheques** are subject to a fee of Kshs. 2,000 payable immediately

**Overpayment:** Any fee overpayment will be automatically transferred to the next term's fees. ADMI will not process any refunds.

**Graduation:** Students are not allowed to graduate if they have not completed and passed all of the required units for their programme. In addition, students will be issued an international certificate. The certificate fee, which will be communicated later, is due on June 30, 2026.
