## STEAKS

FROM BRITISH & IRISH FARMS

*At Firejacks we are just a little bit obsessed with those perfect partners: meat + fire! We carefully select breeds and cuts for the best flavour and texture, and our steaks are prepared by our butchery-trained chefs on an open fire grill*

### 6OZ FLAT IRON 8.95

Named after its shape - like an old iron heated in the fire - best eaten rare

### 8OZ SIRLOIN 14.95

A classic cut, tender and flavoursome. If you like it juicy, don't venture beyond medium

### 8OZ RUMP 12.45

A whole hearted steak - succulent & BIG on flavour

### 8OZ FILLET 18.95

The most lean & tender cut, which is recommended rare

### 10OZ RIB EYE 15.95

### 18OZ T-BONE 23.95

The best of both worlds - sirloin on one side of the bone + fillet on the other
