SAVVY MINERALS BY YOUNG LIVING® MATTIFYING PRIMER

PRODUCT SUMMARY

Savvy Minerals by Young Living Mattifying Primer helps keep shine to a minimum, so the flawless finish of your makeup can last all day! Formulated with Manuka and Tea Tree essential oils, this skin-loving primer gives oily skin a matte finish and long-lasting wear to your foundation while helping reduce the appearance of blemishes. Silky to apply, our new mattifying primer helps blur and smooth fine lines and provides an even surface for foundation to adhere to, helping extend the wear of your makeup.

KEY INGREDIENTS

Kaolin, Sweet almond oil, Manuka, Frankincense, Rosemary, Tea tree, Geranium, and Lavender essential oils

EXPERIENCE

Foundation lasts longer with a smooth, matte finish after the application of Savvy Minerals by Young Living Mattifying Primer. Formulated to reduce shine and oil while creating a flawless, smooth surface, this primer helps reduce the appearance of fine lines and blemishes and cleanses the skin!

PRODUCT BACKGROUND

The Savvy Minerals by Young Living line was formulated to help you feel confident without compromise. We believe in empowering women to stand out in their own unique, natural beauty while using products with quality and purity.

Savvy Minerals by Young Living Mattifying Primer was formulated using non-nano ingredients, as well as Tea Tree and Manuka essential oils. These oils help reduce the appearance of blemishes and can also improve the appearance of healthy-looking skin.
