SAVVY MINERALS® SOLID BRUSH CLEANER

PRODUCT SUMMARY

We believe your Savvy Minerals brushes should be as clean as your Savvy Minerals makeup. Our Savvy Minerals Solid Brush Cleaner uses natural ingredients and essential oils to gently and effectively deep clean your makeup brushes. This plant-based soap includes shea butter, jojoba oil, and moringa seed oil to extend the life of your brushes and keep them looking brand new!

KEY INGREDIENTS

Shea butter, Jojoba, Moringa oil, Lavender oil, Orange oil, Lemon oil

EXPERIENCE

You practice clean beauty—plant-based, natural, nontoxic skin care and makeup—but what about your brushes? Without proper care your makeup brushes can collect all kinds of things between the bristles. Free your brushes from days-old makeup and dead skin cells with our Solid Makeup Brush Cleaner paired with our multitextured Silicone Brush Cleansing Pad. A once-a-week deep cleaning will keep brush bristles soft and makeup application smooth.

PRODUCT BACKGROUND

Looking for a brush cleaner as mild on your brushes as Savvy Minerals makeup is on your skin? Savvy Minerals Solid Brush Cleaner harnesses the power of plant-based soaps to gently clean makeup brushes while keeping bristles soft. Our Solid Brush Cleaner is made with all-natural ingredients and infused with Lemon, Orange, and Lavender essential oils. Pair it with our Savvy Minerals Silicone Brush Cleansing Pad for brushes that never looked—or smelled—so good!

BENEFITS & FEATURES

- Cleanses and deodorizes brushes with plant-based soaps
- Maintains soft bristles with vitamin A and E from shea butter
- Provides a bright citrus aroma with a hint of floral
- Contains shea butter and jojoba oil
- Made without parabens, phthalates, petrochemicals, glycol, sulfates, synthetic dyes and colorants, animal-derived ingredients, EDTA, or gluten

SAVVY MINERALS® SOLID BRUSH CLEANER

DIRECTIONS

1. Wet your Savvy Minerals brush with the bristles pointing down. Make sure to wet only the bristles and not the handle.
2. Swirl the bristles into the Savvy Minerals Solid Brush Cleaner.
3. Place the Savvy Minerals Silicone Brush Cleansing Pad in the palm of your hand and swirl the bristles against the surface to create suds.
4. Rinse the brush, bristles pointing down, until the water runs clear. Repeat steps 2-4 if needed.
5. Reshape the brush and lay flat to dry.

CAUTIONS

Keep out of reach of children. For external use only.

STORAGE:

Store Savvy Minerals Solid Brush Cleaner in the package provided. Allow bar to dry between uses.
