

PRODUCT SUMMARY

Imagine a summer night in the backyard. While your children are running, playing, and discovering the world, you can sit back and enjoy the night annoyance free with Young Living's Outdoor Blend.

Outdoor Blend powerful formula is made without synthetic ingredients. Ninety-nine percent of the blend is made up of sesame oil and a combination of essential oils such as Citronella and Lemongrass, known for their use outdoors, while the remaining 1 percent is made of vitamin E. You can feel confident that you're not exposing yourself or your family to harsh chemicals.

In addition to a naturally derived formula, our Outdoor Blend offers a bright, citrusy aroma and applies smoothly to skin without leaving a sticky, greasy residue. Kids and adults alike will love knowing that their next adventure will be natural, comfortable and annoyance free.

KEY INGREDIENTS

Citronella, Lemongrass, Rosemary, Geranium, Spearmint, Thyme and Clove essential oils.

EXPERIENCE

Young Living's Outdoor Blend has a naturally derived, hypoallergenic formula that leaves skin feeling smooth and moisturised instead of greasy or sticky.

PRODUCT BACKGROUND

While many companies resort to using harsh or synthetic chemicals, we put in the time to find an effective formula that is completely derived from natural sources.

Our Outdoor Blend is formulated without parabens, fillers, phthalates, petrochemicals, animal-derived ingredients, or synthetic preservatives, fragrances or colourants. It's even gentle enough for children when used as directed.

DIRECTIONS

Dispense into hands and apply evenly over exposed skin. Reapply as needed. Avoid contact with clothing as product can stain fabric.

SUGGESTED USE

- Apply Outdoor Blend to the legs, arms and neck before going outdoors
- Take Outdoor Blend on camping trips or to outdoor events

BENEFITS & FEATURES

- Formulated with essential oils traditionally known for their use in the outdoors, to enjoy the natural environment
- Formulated without parabens, fillers, phthalates, petrochemicals, animal-derived ingredients, or synthetic preservatives, fragrances or colourants
- Rubs easily into skin without a greasy or sticky finish
- Hypoallergenic
- Has a pure, gentle formula that is free from harsh chemicals
- Appropriate for use on children when used as directed
- Offers continued protection when reapplied after four hours

CAUTION

Keep out of reach of children. For external use only. Causes eye irritation. Keep away from eyes and mucous membranes. Adult supervision required when applying to children. Do not apply to children's hands.

FREQUENTLY ASKED QUESTIONS

Q. Why is vitamin E included in this product?

A. Vitamin E is included to help preserve the product.

Q. Why were these essential oils chosen for the Outdoor Blend?

A. The essential oils (Citronella, Lemongrass, Rosemary, Geranium, Spearmint, Thyme, and Clove) were selected because they are traditionally known for their use in the outdoors, to enjoy the natural environment.

Q. Can children use the Outdoor Blend?

A. Yes, children can benefit from the use of this product under adult supervision and administration. It is formulated to be hypoallergenic and appropriate for those with sensitive skin.

Q. How often should this product be applied?

A. It can be applied as often as needed. For continued protection, reapply after four hours. If you are sweating, swimming or wiping your skin, apply it more frequently.
