

Young Living Seedlings™

BABY LOTION

Kisses and cuddles bring lots of smiles, but dry skin needs some extra love. Seedlings Baby Lotion gently moisturizes with a naturally derived formula that's made especially for infants' delicate skin.

Seedlings Baby Lotion is formulated with 100 percent pure essential oils specifically chosen to provide a **CALMING, SOOTHING AROMA**, making it perfect for an after-bath, before-bed routine.

Seedlings Baby Lotion
absorbs easily,
**LEAVING SKIN
SOFT and
MOISTURIZED**
instead of greasy
or slippery.

Infants' skin is more sensitive than that of adults, so this lotion was created specifically to meet the **NEEDS of THEIR SOFT, TENDER SKIN.**

Seedlings Baby Lotion uses
**THREE DIFFERENT
MOISTURIZING BUTTERS—**

murumuru, mango, and cocoa. These highly moisturizing butters help protect the skin's moisture barrier while nourishing and softening the skin.

WHY WE *love* IT

We know that parents make hundreds of decisions every day about the health and happiness of their loved ones.

That's why we created a dermatologist-tested, hypoallergenic moisturizer that you and your baby can love. It's made with 100 percent naturally derived ingredients and is lightly scented with a calming Lavender-infused blend of pure essential oils.
