

# ANIMAL SCENTS® PURICLEAN

## USE

 Dilution  Topical  Aromatic

## PRODUCT SUMMARY

Chances are your pet lives for playtime. When these adventures become a bit too rowdy, reach for Puriclean. Inspired by the great outdoors and infused with cool Mountain Savory, woody Palo Santo and sweet Rosemary oils, Puriclean helps purify your pet's skin keeping them smelling fresh after play time's over. Simply dilute and apply a few drops topically, treating your pet to a gentle massage and brushing for a beautifully soft finish.

## KEY INGREDIENTS

Patchouli, Lavender, Mountain Savory, Palo Santo and Citronella essential oils.

## BENEFITS & FEATURES

- Cleanses and purifies the skin
- Moisturises dry skin
- A cool refreshing pick-me-up scent to add to your pet's grooming ritual.
- Enjoy a light fresh, crisp, lemony scent known to be refreshing and balancing.
- Keeps pets smelling fresh and fragrant after playing outdoors.
- Made lovingly without synthetic perfumes, dyes, artificial colours or fragrances.
- A portion of all proceeds from Animal Scents products will help support Vital Ground, a non-profit organisation dedicated to protecting the habitat of grizzly bears and other wide-roaming wildlife.

## SUGGESTED USE

- Dilute according to the label directions and apply 1-2 drops topically to your pet's back, belly and behind their ears.
- Carefully apply according to the size and species of animal.

## DIRECTIONS

Mix 1 drop in 5ml of carrier oil. If a larger quantity is desired, maintain a ratio of 1 drop to 5ml of carrier oil. Carefully apply according to the size and species of the animal. Additional dilution is recommended for smaller species. Diffuse in an open room, up to 30 minutes

## CAUTION

Take extra care when using any essential oils, especially those with citric ingredients, around cats. Specifically formulated for veterinary use. Keep out of reach of children. Store in a cool, dark place.

<sup>†</sup>100% pure, therapeutic-grade essential oil

## FREQUENTLY ASKED QUESTIONS

**Q. Tea Tree is toxic to animals. Why is it included in PuriClean?**

A. The safety of essential oil usage with animals largely depends on the size, species and health of the animal, as well as the amount used and the quality of the essential oil. As Tea Tree is included as part of the blend, it is even lower in concentration. We have formulated the Animal Scents products to contain the best ingredients and appropriate amounts to ensure the health and safety of animals. However, if you have further concerns, we suggest speaking with a veterinarian.

**Q. How much does PuriClean need to be diluted before application?**

A. Mix 1 drop in 5ml of carrier oil. if a larger quantity is desired, maintain a ratio of 1 drop to 5ml of carrier oil. Additional dilution may be required depending on the size and sensitivity of the animal. This product was formulated for all animals, and each individual animal will have different levels of sensitivity. Start by diluting heavily and use in moderation. We also suggest testing the blend on a small area before wide-spread application. Every animal is different, so carefully observe how each animal responds to the oils.
