In the spotlight with

ELIZABETH GAGELER

What was your occupation before you joined Young Living?

Corporate Sales & Marketing in the IT industry.

What is your favourite Young Living product and why?

Joy and Sensation essential oil blends. I love how feminine they are. I love that they can instantly shift my emotional state and elevate me. Joy was one of the first oils I purchased and Sensation is my FAVOURITE all time oil for women to drop into their playful creative space.

Why would you recommend for others to join Young Living?

If you are interested in your wellbeing, the wellbeing of others, building community and creating the life you want to live, this is for you! I don't know anyone that doesn't value this.

What, in your opinion, makes Young Living unique?

The products are of the upmost quality! You simply CANNOT get better!!! Plus, the company is built of ethics of integrity, passion, purpose and cares for the people and planet. I wish all companies were built on these foundations.

How has your life changed since you joined Young Living?

In every single way! Initially for the wellness benefits. My physical, emotional and spiritual health has been transformed. Then I saw the possibility of the business and WOW!!! My transformation has been taken to all new levels. I get to create and live the life I want! I get to build my business, inspire and build community. Young Living has allowed me to step into more of who I truly am and live my purpose.
