Ducati Smart Jacket

Maximum safety and great comfort thanks to the **Ducati Smart Jacket** fabric sleeveless vest with integrated airSling backpack. A light and ventilated item that can be worn on or under the biker's jacket with protectors, for further safety. The |D |air® stand-alone airSling backpack system is water-resistant, it does not require cables and connections with the bike and is made with an exclusive, Dainese-patented Sling backpack that thanks to a micro-filament structure ensures consistent and controlled inflation, while offering the same level of protection in every area of this vest.
