Send Us Your Film Idea

Easy Read

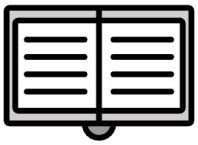

Before you start

You can send us your idea for a film for the **Diverse Film Fund**.

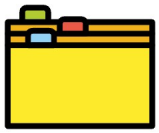

Your idea is called a **Project Proposal**.

First, read the **Creative Brief**.

Next, read the **Eligibility Criteria**.

Get all your details ready before you start.

Why this is important

When you have done these things, we can look at your idea.

If you miss a step, we may not be able to look at your idea.

Send us your idea

When you are ready, fill in the **registration form**.

Hard words

A **Project Proposal** tells us about the film you want to make.

The **Creative Brief** tells you what your film needs to be about.

The **Eligibility Criteria** are the rules about who can apply.

The **registration form** is where you write about yourself and your film idea.
